## **Declarations of Interest**

The Chair welcomed the GDG to the 10<sup>th</sup> Chest Pain (CP) guideline development group (GDG) meeting and briefed the group on the meetings objectives.

Apologies were received from (LS), (HJ), (JK), (CJ), (PL) and (NC)

(AT) informed the GDG that on 10/02/09 he had provided the NCC-PC with an update to his non-personal pecuniary interest in that his department was in receipt of an NIHR Biomedical Research Unit Grant to develop an academic department of cardiovascular imaging which includes MSCT. He declared that he was lead applicant on this grant which included capital funding for purchase of a new MSCT scanner.

No other declarations of interest were received from the GDG.

The following topics were presented and discussed by the GDG:

- Review of the care pathways for both acute and stable chest pain
- Review of recommendations for acute chest pain
- Identify current key priorities for implementation

In addition the GDG discussed potential overlap with the impending guideline on Management of Stable Angina. The GDG also discussed prioritising research recommendations and agreed volunteers for write up.

## ***SUMMARY AND ANY OTHER BUSINESS***

The GDG agreed the minutes from the meeting on 9<sup>th</sup> January 2009.
