Notes

- Welcome and declarations of interest**
 The chair welcomed the group to the fifth meeting of the pressure ulcer prevention and management guideline development group (GDG).

 The Chair asked all GDG members to declare any relevant declarations of interest. No additional declarations of interest were made.

2. Repositioning

Notes

The GDG discussed the clinical and economic evidence relating to repositioning for the prevention of pressure ulcers.

3. **Formal consensus**

The GDG were presented with details of the proposed use of formal consensus methods in areas where high level evidence is not available.

4. **Hyperbaric oxygen therapy**

The GDG discussed the clinical and economic evidence relating to the use of hyperbaric oxygen therapy for the management of pressure ulcers.

5. **Protocols**

The GDG discussed the draft protocols for the upcoming evidence reviews.

6. **Health economic model update**

The proposed work plan and areas for original modelling were discussed.

7. **AOB**

None

Date, time and venue of the next meeting

Thursday 20th September, 10.30 – 4.30pm, NCGC, 180 Great Portland Street, London.
