

### Register of declarations of Interest

The effective management of conflicts of interests is an essential element in the development of the guidance and advice that NICE publishes. This document records declarations made at any stage in the guideline development process, from recruitment to the final Committee meeting. Please refer to the NICE website for the [Policy on Conflicts of Interest](#).

Name	Job title, organisation	Declarations of Interest, date declared (recruitment / committee meeting)	Type of interest	Decision taken
