--	--	--

**Notes**

1. The Chair welcomed the group to the eleventh meeting of this GDG. No apologies were received. The Chair asked all GDG members to declare any relevant conflicts of interest. All declared that they knew of no personal specific, personal non-specific, non-personal specific or non-personal non-specific interest in the development of this guideline.
2. The minutes of the last meeting of this group were agreed as a true and accurate account of the meeting.
3. The Chair introduced the Senior Research Fellow, Katrina Sparrow, who presented on the clinical evidence relating to amputation for CLI and took questions from the group. The GDG then discussed the issues presented in relation to this guideline. The Chair thanked KS for her presentation.
4. The GDG discussed the following draft chapters in relation to evidence and recommendations:
  - patient information chapter.
  - Diagnosis
  - Imaging for revasculariation

## **Notes**

- Intermittent claudication

The GDG discussed the issues presented. The Chair thanked all for their contribution.

5. The Chair introduced Jen Layden, NCGC Senior Project Manager, who discussed the next steps and meeting. The Chair thanked JL for her contribution.
6. No other business was discussed.
7. The Chair closed the meeting and thanked everyone for attending.

## **Date, time and venue of the next meeting**

Tuesday 10<sup>th</sup> January 2012 at National Clinical Guideline Centre, 5<sup>th</sup> Floor, Great Portland Street, London W1W 5QZ.
