Dear Alana

Re: NICE Single Technology Appraisal of Lapatinib for the treatment of previously treated, advanced or metastatic breast cancer

Breast Cancer Campaign is pleased to play its part in the contribution to the National Institute for Health and Clinical Excellence (NICE) Health Single Technology Appraisal of Lapatinib for the treatment of previously treated, advanced or metastatic breast cancer.

Breast Cancer Campaign confirms its participation through a joint submission with Breakthrough Breast Cancer, Breast Cancer Care and Cancer BACUP. We fully support the contents and recommendations of this joint submission.

Should you require any further information, please don't hesitate to contact me.

Yours sincerely
