Topic: GID-MT575 GaitSmart rehabilitation exercise programme for gait and mobility issues							
Name	Role with NICE	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	
Alison McGregor	Expert adviser	N/A	N/A	N/A	May 2023	N/A	N/A
Peter Julian Owen	Expert adviser	N/A	N/A	N/A	September 2022	N/A	N/A
Emma Brown	Expert adviser	Indirect	<p>I started a new role on the 05/09/2022- Innovation lead for Bedfordshire Luton and Milton Keynes ICB. This is a joint role with Oxford and Eastern Academic Health Science Network (AHSN). I supported the used of GaitSmart and introduced it to a Care Hotel in my pervious role in NHS England as a Regional Clinical Fellow where I had no declarations of interest.</p> <p>Please note that GaitSmart has a commercial agreement with Eastern AHSN. Eastern AHSN see innovators that</p>	N/A	October 2022	N/A	Open declaration and remain for MTAC Part 1 open session only.

			<p><i>offer something that seems really promising to the system but are early stage and require more support than we are commissioned to provide. In these instances, often the innovators do not have the capital to pay for AHSN additional support or resources for example Health Economic Budget Evaluations, Infographics, Development of Value Propositions, Grant Funding/Bid Writing support, Surveys etc, and so we set up revenue share agreements with them (usually a small percentage of their gross sales).</i></p> <p><i>Any income generated to EAHSN is reinvested back into other innovations to meet the needs of the NHS and the population in the East of England.</i></p>				
<i>Dawn A Skelton</i>	Expert adviser	Non-financial professional	<p><i>Director of Later Life Training, a not for profit training organisation that delivers training to physiotherapists, healthcare assistants, exercise instructors in evidence based exercise delivery for frailer older adults and those at high risk of falls</i></p>	2003	July 2023	ongoing	Open declaration and remain for MTAC Part 1 open session only.

<i>Helen Hawley-Hague</i>	Expert adviser	Non-financial professional	<p><i>I have developed an app to support falls rehabilitation which allows health professionals to prescribe the evidence-based FaME programme for falls prevention and support home exercise. However, this is very different from the proposed intervention and provides no assessment.</i></p> <p><i>I am qualified to deliver the FaME and Otago programme.</i></p> <p><i>I work closely with Later Life Training who provide training for health professionals and exercise instructors to deliver these exercises.</i></p>	2014	July 2023	Ongoing	Open declaration and remain for MTAC Part 1 open session only.
		Non-financial professional	<p><i>I supervise a PhD student exploring the digital delivery of strength and balance exercises.</i></p>	2022	July 2023	Ongoing
