1. Welcome and objectives for the meeting

The Chair welcomed the committee members and attendees to the ninth meeting of the Stroke (update) Guideline Committee.

Apologies were received for this meeting. These are noted above.

The Chair outlined the objectives of the meeting.

2. Confirmation of matter under discussion, and declarations of interest

There were no new declarations of interest.

- 3) JK updated the committee on the stakeholder comments and the progress since the last meeting.
- 4) JK and ES presented the suggested edits for the blood pressure recommendations to the committee. The committee discussed and edited their previous recommendations.
- 5) JK and ES presented the suggested edits for the thrombectomy recommendations to the committee. The committee discussed and edited their previous recommendations.
- 6) The committee discussed the stakeholder comments on TIA clinics and made amendments to the recommendations and the rationale and impact sections.
- 7) ES presented the evidence for mobilisation definitions as a reminder. The committee discussed and edited their previous recommendations.
- 8) The committee reviewed the responses to the stakeholder comments and made amendments.
- 9) IM gave a presentation on resource and impact.

Any other business

JH updated the committee on the next stages. JK thanked the committee for their contributions.
