

Full guideline – August 2012

Full guidance

Published: 22 August 2012

www.nice.org.uk

NICE's original guideline on neonatal infection (early onset): antibiotics for prevention and treatment was published in 2012 as NICE guideline CG149.

See the NICE website for the guideline recommendations and evidence reviews for the 2021 update.

These documents preserve evidence reviews and committee discussions for areas of the guideline that were not updated in 2021.
