

NATIONAL INSTITUTE FOR HEALTH AND CLINICAL EXCELLENCE

Quality and Productivity Workshop: 25th September 2009

Agenda

10.00-10.30 Arrive and coffee

10.30 Introduction: Professor Sir Michael Rawlins

10.35-11.45 Quality and productivity: NICE and its guidance

Short presentations on the main guidance programmes

11.45-12.30 Local perspectives

Short local perspectives on how NICE can best contribute to supporting the NHS through a period of reduced resources

12.30- 1.15 Lunch

1.15-1.30 National perspective

Overview of the Department of Health's approach to supporting and coordinating national and local action on quality and productivity

1.30-2.15 How should NICE build on its current contribution?

Small group discussions to address the question: what more can NICE do to help equip the NHS to operate within reduced resources?

2.15-2.45 Small group feedback

Short, bullet point responses from each table

2.45-3.00 Break

3.00-3.15 NICE response

A rapid response from NICE on the outcome of the small group work

3.15 Close
