

# OUP content now available through the NICE framework

**Oxford University Press has been appointed as a NICE framework content provider**

The NICE Electronic Print and Content Framework Agreement means that purchasers from the NHS, and healthcare organisations across England and Wales, can search, select, and order medical and healthcare titles from **Oxford Medicine Online**, **Oxford Clinical Psychology**, and the **Oxford Journals Collection** easily and efficiently.

## SIMPLIFY THE PROCUREMENT PROCESS

- **No need for full competitive tendering** – follow the Framework “How to Buy” guide for a fast and easy tender process.
- **No negotiations on terms required** – OUP has pre-agreed Terms and Conditions and Service Standards.
