**Note:** The order in which the Committee took items of business at the meeting might differ from the agenda

**Introduction to the meeting**

The Chairman welcomed the Committee Members and observers.

The Chairman also welcomed the members of the public and company representatives present at the meeting.

**Code of conduct for members of the public attending the meeting**

The Chairman outlined the code of conduct for the members of the public attending the meeting.

1. **Any Other Business**

The Chairman advised the committee member, observers and members of the public that there would be a small amount of filming taking place at the meeting by NICE. Anyone with an objection to being filmed was asked to make themselves known but there were no objections.

The Chairman also reminded committee that the position of Vice Chair to the Committee was now available and encouraged members to put their names forward if they were interested in this position.

2. **Minutes of previous meeting**

Approved.

3. **Matters arising**

None.

4. **Agenda changes**

The order of the agenda was changed from that given to committee members so as to accommodate members of the public and industry representatives. This is reflected in the non-linear times given throughout these minutes.

5. **NICE’s Advisory Body guide to declaring a conflict of interest**

The Chairman drew the Committee’s attention to NICE’s advisory body quick guide for declaring conflicts of interest.

6. **Briefs of procedures for future assessment**

**IP268/2 Infracoccygeal sacropexy using mesh for vaginal vault prolapse repair**

Dr Kieran Murphy declared a non-specific, non-personal financial interest but was advised he did not have to leave the meeting.
The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Dr Sohier El Niel

The Committee advised on the content of the brief for evaluation of this procedure.

IP372/2 Insertion of mesh uterine suspension sling (including sacrohysteropexy) for uterine prolapse repair

Dr Kieran Murphy declared a non-specific, non-personal financial interest but was advised he did not have to leave the meeting.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Dr Sohier El Niel

The Committee advised on the content of the brief for evaluation of this procedure.

IP728/2 Infracoccygeal sacropexy using mesh for uterine prolapse repair
