NATIONAL INSTITUTE FOR HEALTH AND CARE EXCELLENCE

Interventional Procedures Advisory Committee

Minutes of the Committee’s 141st meeting held at 10:30 on Thursday 15th October 2015
Prince of Wales Suite, 10 Spring Gardens, London, SW1A 2BU.

PRESENT:

Professor Bruce Campbell (Chairman)
Mr Barrie White (Vice Chair)
Dr Zahida Adam
Mr Michael Aitchison
Ms Sue Bennett
Dr Chris Carroll
Dr Andrew Cook
Dr Tom Clutton Brock
Dr Nicholas Chalmers
Mr Chris Cunningham
Dr Anthony Emmerson
Professor Rebecca Fitzgerald
Mrs Rosemary Harris
Dr Stephen Holmberg
Professor Colin Howie
Mr Tim Jackson
Mr Stephen Large
Dr Janet McComb
Ms Karen McCutcheon
Dr Neil McGuire
Mr Kieran Murphy
Mr David Sissling
Professor Keith Wheatley

In Attendance

NICE Staff:

Mrs Sally Jones - Programme Manager, IPP
Mrs Helen Gallo - Analyst, IPP
Professor Kevin Harris - Consultant Clinical Advisor, IPP
Mr Azeem Madari - Team Administrator, IPP
Ms Lakshmi Mandava - Analyst, IPP
Professor John Powell, Consultant Clinical Advisor, IPP
Mr Jeffrey Tabiri-Essuman - Analyst, IPP
Mrs Vassilia Verdiel, IPP
confirmed

Observers: Miss Helen Barnett – Publishing, NICE
Mrs Kay Dilley - Patient Information and Support Manager, Anthony Nolan
Mr Jonathan Holley - NICE Fellow
Ms Heidi Livingstone - Public Involvement Team, NICE

Apologies: Dr Sohier El-Neil

Note: The order in which the Committee took items of business at the meeting might differ from the agenda

Introduction to the meeting

The Chairman welcomed the Committee Members and observers – specifically Mrs Kay Dilley - Patient Information and Support Manager, Anthony Nolan Trust, Mr Jonathan Holley, NICE Fellow, Miss Helen Barnett – Publishing, NICE, and Ms Heidi Livingstone - Public Involvement Team, NICE. In particular he welcomed Dr Stephen Holmberg as a new Committee member.

The Chairman also welcomed the members of the public present at the meeting.

Code of conduct for members of the public attending the meeting

The Chairman outlined the code of conduct for the members of the public attending the meeting.

1. Any Other Business

The Chairman informed the Committee that Jeffrey Tabiri – Essuman, IP Analyst is leaving the team and thanked him for his contribution. He congratulated Professor Kevin Harris on his appointment to the Chair within the University of Leicester.

The Chairman advised the Committee that Patient Commentary for Inserting a steroid-eluting bioabsorbable stent or spacer as part of endoscopic sinus surgery to treat chronic rhinosinusitis (963/1) should not be considered. Questionnaires were prepared however NICE subsequently refined the scope of this assessment to include only treatment with a bioresorbable stent. NICE received completed questionnaires, but it was not possible to identify which ones specifically related to the use of a corticosteroid-eluting bioabsorbable stent or spacer therefore they could not be considered as part of this assessment.

2. Minutes of previous meeting

Changes were made to IP1283 Endovascular aneurysm sealing for abdominal aortic aneurysm – to note that that - the Committee changed its provisional recommendations on the safety and efficacy of the procedure.
3. **Matters arising**

None

4. **Agenda changes**

None

5. **NICE’s Advisory Body guide to declaring a conflict of interest**

The Chairman drew the Committee’s attention to NICE’s advisory body quick guide for declaring conflicts of interest.

6. **Scopes of procedures for future assessment**

**IP1340 Single-anastomosis duodeno-ileal bypass with sleeve gastrectomy for treating severe morbid obesity**

Kieran Murphy declared a specific personal pecuniary conflict of interest and stayed for the discussion.

No other conflicts of interest were declared.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by **Chris Cunningham**

The title of this procedure changed to **Single-anastomosis duodeno-ileal bypass with sleeve gastrectomy (SADI-S) for treating severe obesity**

The Committee advised on the content of the scope for evaluation of this procedure.

**IP1098 Insertion of a microstructual artificial scaffold (patch) without the use of autologous cell implantation for repair of symptomatic cartilage defects in the knee**

Kieran Murphy declared a specific personal pecuniary conflict of interest and stayed for the discussion.

No other conflicts of interest were declared.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.
Introduced by Colin Howie

The Committee advised on the content of the scope for evaluation of this procedure.

IP1339 Percutaneous insertion of vertebral craniocaudal expandable implants for vertebral compression fracture

Kieran Murphy declared a specific personal pecuniary conflict of interest and stayed for the discussion.

No other conflicts of interest were declared.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Barrie White

The Committee advised on the content of the scope for evaluation of this procedure.

IP1317 Inserting a self-expanding transcarotid stent and retrograde flow neuroprotection system for carotid artery stenosis

Kieran Murphy declared a non-specific conflict of interest and stayed for the discussion.

No other conflicts of interest were declared.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Nicholas Chalmers

The title of this procedure changed to Retrograde blood flow extracorporeal neuroprotection to reduce the risk of stroke during carotid artery stenting

The Committee advised on the content of the scope for evaluation of this procedure.

7. Newly Notified Procedures

IP1291 Endoscopic carbon dioxide laser cricopharyngeal myotomy for relief of dysphagia

Mr Liam Flood joined via teleconference at 11:39.

No conflicts of interest were declared for this procedure.
The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by David Sissling and Liam Flood

The title of this procedure changed to **Endoscopic carbon dioxide laser cricopharyngeal myotomy for relief of oropharyngeal dysphagia**

The Chairman declared a Part Two and Liam Flood and members of the public left the meeting at 12:13.

**The Committee made its provisional recommendations on the safety and efficacy of the procedure.**

The members of the public returned at 12:26.

**IP963 Inserting a steroid-eluting bioabsorbable stent or spacer as part of endoscopic sinus surgery to treat chronic rhinosinusitis**

Liam Flood joined via teleconference at 12:27.

Kieran Murphy declared a specific personal pecuniary conflict of interest and left for the discussion at 12:28.

No other conflicts of interest were declared.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Bruce Campbell and Liam Flood

The Chairman declared a Part Two and Liam Flood and members of the public left the meeting at 12:50.

**The Committee made its provisional recommendations on the safety and efficacy of the procedure.**

The members of the public and Kieran Murphy returned at 13:30.

Rebecca Fitzgerald left the meeting at 13:30

**IP1116 Transcutaneous stimulation of the cervical branch of the vagus nerve for migraine and cluster headache**

No conflicts of interest were declared for this procedure
The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Zahida Adam and Barrie White

The title of this procedure changed to **Transcutaneous stimulation of the cervical branch of the vagus nerve for cluster headache and migraine**

The Chairman declared a Part Two and members of the public left the meeting at 13:54

The Committee made its provisional recommendations on the safety and efficacy of the procedure.

The members of the public returned at 14:10.

8. **Public Consultation comments**

IP346/2 Repetitive transcranial magnetic stimulation for depression

No conflicts of interest were declared for this procedure

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Barrie White

Janet McComb left at 14:15 and returned at 14:18

The Committee considered the consultation comments and made changes to sections 2.1, 3.1, 3.2, 4.3, 6.2 and 6.4

The following studies, identified during consultation, will be added to the main table of the Overview:

The Chairman declared a Part Two and members of the public left the meeting at 14:38 and did not return.

The Committee then made changes to section 1.1 and 1.2

The Committee upheld its decision on the safety and efficacy of the procedure.

IP1252 Insertion of a subretinal prosthesis system for retinitis pigmentosa

Tim Jackson declared a personal specific pecuniary conflict of interest and remained for Part One of the discussion.

No other conflicts of interest were declared.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Tim Jackson

Kieran Murphy left at 14:52 and returned at 14:53

The Committee considered the consultation comments and made changes to section 6.2

The following study, identified during consultation, will be added to the main table of the Overview:

The Chairman declared a Part Two and Tim Jackson left the meeting at 14:57 and returned at 14:58.
The Committee upheld its decision on the safety and efficacy of the procedure.

Stephen Large left at 15:00

IP1285 Radiofrequency ablation for symptomatic interdigital (Morton's) neuroma

No conflicts of interest were declared for this procedure

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Colin Howie

The Committee considered the consultation comments and made changes to sections 3.1, 4.1, 4.5, 4.6 and 5.2.

The following study, identified during consultation, will be added to the main table of the Overview:

The Committee upheld its decision on the safety and efficacy of the procedure.

IP1070 Transapical transcatheter mitral valve-in-valve implantation for a failed surgically implanted mitral valve bioprosthesis

No conflicts of interest were declared for this procedure

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Janet McComb

The Committee considered the consultation comments and made no changes

The following study, identified during consultation, will be added to the main table of the Overview:

The Committee upheld its decision on the safety and efficacy of the procedure.

IP1276 Joint distraction for ankle osteoarthritis

Kieran Murphy declared a non-specific personal pecuniary conflict of interest stayed for the discussion.

No other conflicts of interest were declared.

The Committee was asked whether there were any equalities issues to consider in relation to this procedure.

Introduced by Colin Howie

The Committee considered the consultation comments and made changes to section 4.1

The following study, identified during consultation, will be added to the main table of the Overview:

The Committee upheld its decision on the safety and efficacy of the procedure.

9. Other meeting matters

None

10. Date of the next meeting

The 142 meeting of the Interventional Procedures Advisory Committee will be held on Thursday 12th November 2015, and will start promptly at 1030. The meeting will be held at Prince of Wales Suite, 10 Spring Gardens, London, SW1A 2BU.

The meeting ended at 15:24
