Notes

Welcome

1. The Chair welcomed all members of the Committee and other attendees present to the meeting. The Chair reviewed the agenda and timescales for the meeting, which included the appraisals of liposomal cytarabine and daunorubicin for untreated acute myeloid leukaemia [ID1225] and axicabtagene ciloleucel for treating diffuse large B-cell lymphoma, mediastinal B-cell lymphoma and follicular lymphoma [ID1115]

2. The Chair informed the Committee of the non-public observers at this meeting: Carl Boswell, Sarah Crook, Carla Deakin, Sally Doss, Henry Edwards, Alexandra Filby, Les Hayes, Linda Landells and Fay McCracken
3. Apologies were received from Professor Andrea Manca, Professor Matt Stevenson, Dr Prithwiraj Das, Dr Richard Nicholas and Professor Robert Walton

Any other Business

4. None

Appraisal of liposomal cytarabine and daunorubicin for untreated acute myeloid leukaemia [ID1225]

Part 1 – Open session

5. The Chair welcomed the invited experts: Peter Clark, Lindsay Claxton, Steven Knapper, Alexis Lleywellyn, Priyanka Mehta and Mark Sandford, and Ros Wade to the meeting and they introduced themselves to the Committee.
6. The Chair welcomed company representatives from Jazz Pharmaceuticals to the meeting.
7. The Chair asked all Committee members to declare any relevant interests
 - 7.1. All declared that they knew of no personal specific financial interest, personal non-specific financial interest, non-personal specific financial interest, non-personal non-specific financial interest, personal specific family interest or personal non-specific family interest for any of the technologies to be considered as part of the appraisal of liposomal cytarabine and daunorubicin for untreated acute myeloid leukaemia
8. The Chair asked all NICE Staff to declare any relevant interests.
 - 8.1. All declared that they knew of no personal specific financial interest, personal non-specific financial interest, non-personal specific financial interest, non-personal non-specific financial interest, personal specific family interest or personal non-specific family interest for any of the technologies to be considered as part of the appraisal of liposomal cytarabine and daunorubicin for untreated acute myeloid leukaemia
9. The Chair asked all other invited guests (assessment group/ERG and invited experts, not including observers) to declare their relevant interests.
 - 9.1. Mark Sandford declared that they knew of no personal specific financial interest, personal non-specific financial interest, non-personal specific financial interest, non-personal non-specific financial interest, personal specific family interest or personal non-specific family interest for any of the technologies to be considered as part of the appraisal of liposomal cytarabine and daunorubicin for untreated acute myeloid leukaemia
 - 9.2. Dr Priyanka Mehta declared a personal non-specific financial interest as she has received honoraria payments from Jazz Pharmaceuticals for advisory board and training/teaching events

- 9.2.1. It was agreed that this declaration would not prevent Dr Priyanka Mehta from participating in this section of the meeting
- 9.3. Dr Steven Knapper declared a personal non-specific financial interest as he is receiving support from Jazz Pharmaceuticals for attending American Society of Hematology 2018
- 9.3.1. It was agreed that this declaration would not prevent Dr Steven Knapper from participating in this section of the meeting
10. The Chair introduced the lead team, John Hampson, Natalie Hallas and David Chandler who gave presentations on the clinical effectiveness and cost effectiveness of the appraisal of liposomal cytarabine and daunorubicin for untreated acute myeloid leukaemia
11. The Chair asked the company representatives whether they wished to comment on any matters of factual accuracy.
12. The Chair explained that “representatives of the press and other members of the public be excluded from the remainder of this meeting having regard to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest” (Section 1(2) Public Bodies (Admission to Meetings) Act 1960)” and all public attendees left the meeting.
13. The Chair then thanked the experts and company representatives for their attendance, participation and contribution to the appraisal and they left the meeting.

Part 2 – Closed session

14. Discussion on confidential information continued. This information was supplied by the company.
15. The Committee continued to discuss the clinical and cost effectiveness of liposomal cytarabine and daunorubicin for untreated acute myeloid leukaemia
- 15.1. The committee decision was based on consensus.
16. The Committee instructed the technical team to prepare the Appraisal Consultation Document (ACD) in line with their decisions.

Appraisal of axicabtagene ciloleucel for treating diffuse large B-cell lymphoma, mediastinal B-cell lymphoma and follicular lymphoma [ID1115]

Part 1 – Open session

17. The Chair welcomed the invited experts: Peter Clark, Mark Corbett, Ana Duarte, Clare Foreman, Andrew McMillan, Stephen Palmer, John Radford, Alasdair Rankin and Phil Reynolds to the meeting and they introduced themselves to the Committee.
