

Surveillance proposal consultation document

2023 surveillance of Motor neurone disease (NICE NG42)

The consultation includes the following questions:

1. Do you agree with the surveillance proposal not to update motor neurone disease: assessment and management with topics on the following areas:

- Section 1.4 prognostic indicators
- Section 1.5 organisation of care
- Section 1.6 psychological support
- Section 1.13 cough effectiveness
- Section 1.14 non-invasive ventilation

Please give a rationale for your decision

2. Do you agree with changing the wording of recommendation 1.3.1:

‘Be aware that people with MND and frontotemporal dementia may lack mental capacity. Care should be provided in line with the Mental Capacity Act 2005’ to:

‘Be aware that people with MND, in particular those with concomitant frontotemporal dementia, may lack mental capacity. Care should be provided in line with the Mental Capacity Act 2005’

Please give a rationale for your decision

3. Are you aware of any issues related to inequalities for specific subgroups of the population?

Please provide details on any issues

Please note: Responses to consultation questions will need to be submitted online, by signing into your NICE account. The consultation closes at 5pm on Monday 4th December 2023.
