

## **Membership of Oral health for adults in care homes public health advisory committee**

The Committee will operate as an advisory Committee to NICE's Board, developing a guideline on promoting and protecting oral health and ensuring access to dental treatment for adults in nursing and residential care homes.

The terms of reference and standing orders for the Committee can be found in [appendix D of Developing NICE guidelines: the manual](#).

The Committee has 12 members, to include 5 core members and 7 topic expert members.
