

Title: Alcohol-use disorders

1 Background

The Alcohol-use disorders (2010) guideline (CG100) was reviewed in April 2016 as an exceptional review in NICE's surveillance programme.

2 Surveillance programme findings

The surveillance programme identified new evidence on Alcohol-use disorders. The full report can be found [here](#).

3 Guideline Update

We are answering the following question:

- **What is the safety and efficacy of corticosteroids for acute alcohol-related hepatitis?**

4 Guideline Update process

The guideline update will be produced using a standing Committee. More information about the process can be found here:

[Guideline Updates](#)

Committee meeting date: 14 November 2016

Consultation dates: 21 March 2017 – 20 April 2017

Expected publication date: 05 July 2017
