#### MINUTES OF THE MEETING

Wednesday 20<sup>th</sup> January 2010

##### 1.1 Agenda item 1: Introductions, Objectives, DoI, Minutes of last meeting.

- DL welcomed the group and introduced the NICE medical editors.
- No apologies were received.
- DL discussed the objectives for the day and asked all present to update the group on any additional Dols. There were no additional Dols.
- The GDG agreed the minutes of the last meeting as an accurate account of the meeting.

##### 1.2 Agenda item 2:

- **Barrett's review**
  - DL updated the group on progress made since the last meeting of this group.
- **IPAC meeting/RFA**

- The group agreed to send in any comments on the IPAC consultation as a group. They will submit their individual comments to KC, who will collate them and forward to IP team, on behalf of this GDG.

### **1.3 Agenda item 3: Care Pathway**

JN described the care pathway and the GDG suggested a number of amendments.

### **1.4 Agenda item 4, 5, 6: Evidence review/Discuss the evidence/Draft recommendations**

TS went through the evidence and the GDG continued on to discuss the studies included and excluded and the relevant grading of the evidence. They then discussed and agreed the evidence statements, making appropriate changes and began writing the first draft of the recommendations.

### **1.5 Agenda item 7: Health Economics**

PK updated the GDG on the health economics and what changes he had made since the last meeting. The GDG provided further information to help inform the model.

### **1.6 Next steps**

DL outlined what will be covered at the next meeting of this GDG.

**DL closed the meeting.**
