Notes

1. TK welcomed the group. Apologies were received from Sarah Stockton.
2. The Chair asked all GDG members to declare any relevant conflicts of interest. There were no declarations of interest.
3. The minutes of the last meeting were agreed as a true and accurate account.
4. Service user and carer concerns were discussed.
5. SP explained that during the development process, the GDG will divide into smaller topic groups, with a lead person in each group, to concentrate on specific areas of work, which will then be reported back to the main GDG. The work of the topic groups was discussed in more detail and GDG members volunteered for topic groups.
6. CW introduced the analytic framework which sets out the four main clinical questions and will inform the searches.
7. DL introduced how health economic analysis will be approached in the guideline.
8. No other business was raised.
9. Next meeting: 17 March 2010, 10.30am – 4pm
