

National Institute for Health and Care Excellence

4-year surveillance 2016 - Hyperglycaemia in acute coronary syndromes (2011) NICE guideline CG130

Appendix B: stakeholder consultation comments table

Consultation dates: 20 April to 4 May 2016

Type	Stakeholder	Do you agree with the proposal not to update the guideline?	Comments	NICE response
SH	DISN UK Group	Agree		Thank you for your comment.
SH	British Cardiovascular Society	Agree	The up to date clinical research data support no changes to current NICE guidance. This is also in line with ACC/AHA and ESC guidelines.	Thank you for your comment.
SH	Royal College of Surgeons	Agree	No Action	Thank you for your comment.

Type	Stakeholder	Do you agree with the proposal to put the guideline on the static list?	Comments	NICE response
SH	DISN UK Group	Agree		Thank you for your comment.

SH	British Cardiovascular Society	Agree	As there is no current study looking at this area of therapy, it would be reasonable to keep this guidance in the static list.	Thank you for your comment.
