REPORT OF DISCUSSIONS AT THE MEETING

24th March

Declaration of Interests and Objectives for the day

DL outlined the objectives for the day and asked the group to declare any new interests

Role of the editor

LK gave an overview of the role of the editor in guidance development

Review question 2

ASn presented the evidence for review question 2. The group discussed the evidence, agreed the evidence statements and made recommendations.

HE update

MD gave the group an update on the costing report and the group agreed the various costs associated with the report.

Review question 3

ASn presented the evidence for review question 3. The group discussed the evidence, agreed the evidence statements and made recommendations.

25th March

Review question 4

ASn presented the evidence for review question 4. The group discussed the evidence, agreed the evidence statements and made recommendations.

Care Pathway

The group provided the team with the usual pathway of care in treatment of Hyperglycaemia in ACS.

Review of recommendations

The GDG reviewed the recommendations and agreed on the final version for consultation. The group agreed on a research recommendation.

Next Steps

VK discussed the dates for consultation and the date of the next meeting – 22nd June in Manchester
