REPORT OF DISCUSSIONS AT THE MEETING

Declaration of Interests and Objectives for the day

DL outlined the objectives for the day and asked the group to declare any new interests

Stakeholder comments presentation

ASn gave the GDG a presentation on the stakeholder comments and our proposed responses. The group discussed any necessary changes to the recommendations and evidence to recommendations.

Review of the recommendations

The group reviewed all the recommendations and agreed on the final version before publication.

Next Steps

VK discussed the key dates up until publication

End of Meeting

DL thanked the group for their participation in the guideline development
