1.1.6 Dr Margaret Jackson

<i>GDG meeting</i>	<i>Declaration of Interests</i>
On Application	No non-personal pecuniary interests within the last 12 months- the neurology department received £15000 from UCB 15 months ago to support the construction of a database for patients with epilepsy. No personal non-pecuniary interests within the last year. I have done review articles in the past on management of epilepsy expressing views on drug management for peer-reviewed journals.
First GDG meeting (12th May 2009)	No interests to declare.
Second GDG Meeting (14th July 2009)	UCB will be sponsoring a regional epilepsy meeting on September 18 th for Newcastle/Middlesborough.
Third GDG Meeting (17th September 2009)	No interests to declare.
Fourth GDG Meeting (6th November 2009)	Giving a presentation on the 12 th November 2009 on neurodevelopment and epilepsy to SpRs funded by Esai, with the honorarium going to the research fund. Also attending a UCB sponsored meeting in Hampshire later in November.
Fifth GDG Meeting (11th December 2009)	No interests to declare.
Sixth GDG Meeting (2nd February 2010)	No interests to declare.
Seventh GDG Meeting (11th March 2010)	No interests to declare.
Eight GDG Meeting (29th April 2010)	No interests to declare.
Ninth GDG Meeting 14th May 2010	No interests to declare.
Ninth GDG Meeting (10th June 2010)	No interests to declare.
Tenth GDG Meeting (21st October 2010)	No interests to declare.
Eleventh GDG Meeting (09th February 2011)	No interests to declare.
Twelfth GDG Meeting (21st June 2011)	No interests to declare.

2

1

1.1.7 Dr Richard Appleton

<i>GDG meeting</i>	<i>Declaration of Interests</i>
On Application	I have, within the past five years received honoraria and consultancy fees from the following pharmaceutical companies: Eisai, GlaxoSmithKline, Janssen-Cilag, Parke-Davis, Sanofi-Aventis, Special Products Ltd, UCB Pharma. I have no current active or ongoing pecuniary interests or pecuniary commitments/contracts with the pharmaceutical industry.
First GDG meeting (12th May 2009)	I have within the past four weeks (April 6 th 2009) had confirmation that a pharmaceutical company, Eisai, will sponsor a booklet on 'Epilepsy for siblings' that I am co-editing with a Clinical Psychologist. The sponsorship is for the publication costs of the book and I will receive no financial 'reward' or like reward for publishing the book. There will be no royalties arising from the book which will be distributed free of charge.
Second GDG Meeting (14th July 2009)	No interests to declare.
Third GDG Meeting (17th September 2009)	Did not attend
Fourth GDG Meeting (6th November 2009)	Recent advice and consultations (as yet unpaid) provided to a new pharmaceutical company (Mitovie) regarding the introduction of a new formulation of emergency medication to treat tonic clonic seizures including convulsive status epilepticus. These consultations will continue and in 2010 are likely to be more formally based with advisory or consultancy fees.
Fifth GDG Meeting (11th December 2009)	No interests to declare.
Sixth GDG Meeting (2nd February 2010)	No interests to declare.
Seventh GDG Meeting (11th March 2010)	Has been invited to speak, with honoraria, at the following academic meetings in May: <ul style="list-style-type: none"> • Epilepsy Masterclass; a series of tutorials on the transitional care of young people with epilepsy and learning difficulties sponsored by UCB. No action required. • A one-day course on Paediatric Epilepsy sponsored by Healthcare Education Services for the pharmaceutical industry (this two-day course is arranged by Healthcare Services and is attended by representatives of those pharmaceutical companies who manufacture, or who are in the process of developing novel antiepileptic drugs). No action required.
Eight GDG Meeting (29th April 2010)	No interests to declare.

GDG meeting	Declaration of Interests
Ninth GDG Meeting (10th June 2010)	<p>Secretary of the local (Merseyside, North Wales and Cheshire) paediatric epilepsy network, called 'EPIC' (Epilepsy In Children). This network has been running for 10 years and one pharmaceutical company meets the costs of the meetings (hire costs of the venue, A-V equipment and evening buffet) for two consecutive years, after which sponsorship is taken on by another company. UCB Pharma is sponsoring EPIC for 2009 and 2010</p> <p>Has been asked to provide some consultancy work for GSK from July 2010. This will relate to work on a novel antiepileptic drug, and not on one of GSK's current and licensed antiepileptic drugs.</p> <p>Will be running a series of seminars (an 'Epilepsy Masterclass') on the transition of young people with epilepsy with learning difficulties from paediatric to adult care in September 2010. Will receive a single honorarium for this 'Epilepsy Masterclass' from UCB.</p> <p>Principal Investigator for two RCTs included in the scope of this guideline- vigabatrin in infantile spasms and gabapentin in partial seizures.</p>
Tenth GDG Meeting (21st October 2010)	<p>Honoraria for two Advisory Board Meetings as an expert in Paediatric Epilepsy for UCB (September and November 2010) on its new anticonvulsant, lacosamide (Vimpat)</p> <p>Honorarium for a series of tutorials given in a UCB-funded Epilepsy Masterclass Series on 'Transitional issues in young people with epilepsy and learning disabilities' (September 2010)</p> <p>Expenses-paid lecture by UCB to give an invited lecture on 'Steroids and Epilepsy' to the Norwegian Branch of the International League Against Epilepsy at their annual meeting in Oslo, Norway (November 2010). No honorarium will be received for the lecture.</p> <p>Chief Investigator for a UCB-funded national observational study on the use of oral levetiracetam (Keppra) in infants under 12 months of age. I will receive no fee for this study but for each child recruited into the study, the Epilepsy Research Fund at Alder Hey Children's Hospital (AHCH) will receive a fixed payment. This study and per-patient payment has been approved by the Research and Development Committee at AHCH.</p>
Eleventh GDG Meeting (09th February 2011)	Did not attend.
Twelfth GDG Meeting (21st June 2011)	<p>UCB pharma award sponsorship (approximately £4000 over 2 years)To keep Pilot/ Design International Paediatric Epilepsy training course – in response to my approach on behalf of the British Paediatric Neurology Association)</p> <p>Sponsorship by EISA to attend the International Epilepsy congress in Rome in Aug/Sep 2011</p>
Actions	As principal Investigator for two RCTs included in the scope of this guideline- vigabatrin in infantile spasms and gabapentin in focal seizures, Dr Appleton acted as an expert and not as a GDG member at the June and October 2010 GDG meetings when discussing recommendations related to

<i>GDG meeting</i>	<i>Declaration of Interests</i>
	infantile spasms and focal seizures.

1

1.1.8 Dr Greg Rogers

<i>GDG meeting</i>	<i>Declaration of Interests</i>
On Application	Resigned from being a UCB advisor on July 22 nd 2008 when joining the TLOC GDG and have not received any payment. Editor of Synapse Primary Care neurological magazine sponsored by UCB/Orion/GSK. Received £700 last year for this- the publication is supported by an unconditional grant from UCB. Have contacted the company Oyster who publish the magazine and asked for payment to cease until 2010 when the GDG work is complete. Sponsorship to attend ILAE Conference in Berlin Autumn 08 by UCB. East Kent Epilepsy team meeting sponsored by UCB however the last time payment was accepted was 20 th March 2008 for £1000. So far it has only been UCB who have been involved however if acceptable I will approach other pharmaceutical companies to vary the sponsorship. One alternative is to approach the PCT. Invite to Hungarian ILAE meeting in June by Eisai, which has been declined and I do not plan to take up any offers while working on this GDG. Previously medical advisor for UCB. Honorarium from Royal Society of Medicine Autumn 08 talk on Blackouts. Plan to attend the ILAE GPwSI meeting in May. It is going to be hosted by the ILAE however it is sponsored by Eisai. Previously director of Primary Care Neurological Society. Clinical Advisor for Epilepsy Action and Epilepsy Bereaved.
First GDG meeting (12th May 2009)	No interests to declare.
Second GDG Meeting (14th July 2009)	Appointment to Panel B of the Guideline Review Panel
Third GDG Meeting (17th September 2009)	No interests to declare.
Fourth GDG Meeting (6th November 2009)	No interests to declare
Fifth GDG Meeting (11th December 2009)	No interests to declare.
Sixth GDG Meeting (2nd February 2010)	No interests to declare.
Seventh GDG Meeting (11th March 2010)	Did not attend
Eight GDG Meeting (29th April 2010)	Did not attend
Ninth GDG Meeting 14th May 2010	On May 13th gave an update on Epilepsy at the Imperial College GP update meeting with an honorarium of £150. No action required.
Ninth GDG Meeting (10th June 2010)	No interests to declare.
Tenth GDG Meeting (21st October 2010)	Has started as a professional member of the Acute and Chronic Conditions Topic Selection consideration panel with a term of office will be for three years in the first instance, commencing on the 1 November 2010 and ending in November 2013.
Eleventh GDG Meeting (9th February 2011)	No interests to declare.
Twelfth GDG Meeting (21st June 2011)	Did not attend

2

3

1 1.1.9 Mr Sean Mackey

<i>GDG meeting</i>	<i>Declaration of Interests</i>
On Application	I have received funding from Consultancy companies providing advisory panels on behalf of the Pharmaceutical Industry, but none for antiepileptic medication.
First GDG meeting (12th May 2009)	Facilitated and spoke at national events around the National Patient Safety Association Rapid Response Alerts around Strong Opioids, hosted by Pharmacy Management and sponsored by Napp pharmaceuticals. Paid directly by Pharmacy Management Limited. Participated in an Advisory Panel around the use of Ezetimibe hosted by HGS Consultancy and sponsored by Schering Plough. Expect to be involved in consultancy work that may be indirectly/directly funded by the Pharmaceutical Industry over the next 12 months but not associated with AEDs or Epilepsy.
Second GDG Meeting (14th July 2009)	No interests to declare.
Third GDG Meeting (17th September 2009)	No interests to declare.
Fourth GDG Meeting (6th November 2009)	No interests to declare
Fifth GDG Meeting (11th December 2009)	Did not attend
Sixth GDG Meeting (2nd February 2010)	Did not attend
Seventh GDG Meeting (11th March 2010)	Resigned from GDG due to personal reasons

2

3

1

1.1.10 Mr Michael Harnor

<i>GDG meeting</i>	<i>Declaration of Interests</i>
On Application	I have stocks and share ISA administrated on a nominee basis by Barclays. This contains 37 ord shares in Astra Zeneca, 56 ord shares in GlaxoSmithKline and 197 ord shares in Smith and Nephew. Also 440 ord shares in Finsbury Worldwide Pharmaceutical Trust. I am national Chairman and senior trustee of The British Epilepsy Association (working name 'Epilepsy Action'): a registered charity and company limited by guarantee. We obtain from time to time donated funds from pharmaceutical companies but the Association operates a strict sponsorship policy which limits the proportion of our funds obtained from such sources and also strictly confines the purpose to which such funds can be put. Such funds are always used solely to further our particular charitable objective. We would also expect any supporters to be adhering to the industry codes of practice.
First GDG meeting (12th May 2009)	No interests to declare.
Second GDG Meeting (14th July 2009)	Did not attend
Third GDG Meeting (17th September 2009)	No interests to declare.
Fourth GDG Meeting (6th November 2009)	No interests to declare
Fifth GDG Meeting (11th December 2009)	No interests to declare
Sixth GDG Meeting (2nd February 2010)	The Commission on Human Medicines has reduced its Expert Advisory Groups into a smaller number. The neurology EAG no longer exists. However, he is now Lay Member of the neurology, pain and psychiatry Expert Advisory Group. This means that he remains a lay member at the MHRA which hosts the CHM.
Seventh GDG Meeting (11th March 2010)	1) Has been appointed to the Commission on Human Medicines Expert Advisory Group on Neurology, Pain and Psychiatry. This will extend to 2013. 2) On 23rd February 2010, he attended with no venue costs a London conference 'Better Value, Better Care - Commissioning Epilepsy Services' which was substantially funded by UCB Pharma.
Eight GDG Meeting (29th April 2010)	No interests to declare.
Ninth GDG Meeting 14th May 2010	No interests to declare.
Ninth GDG Meeting (10th June 2010)	6 th July Manchester. Will attend and contribute to the north west regional follow up of 'Better Value, Better Care – Commissioning Epilepsy Services'. Venue and subsistence costs paid by UCB Pharma.
Tenth GDG Meeting (21st October 2010)	Appointed to the Patient Information Advisory Group by the Commission on Human Medicines (PIAG). The second group of which he is a member of which advises CHM.
Eleventh GDG Meeting (9th February 2011)	No interests to declare.

GDG meeting	Declaration of Interests
Twelfth GDG Meeting (21st June 2011)	No interest declared
