SPASTICITY IN CHILDREN

On 30 July 2009 the Department of Health formally requested the National Institute for Health and Clinical Excellence to prepare a clinical guideline as described in the box below.

Remit:

To prepare a clinical guideline on the management of spasticity in children with a non-progressive brain injury

Suggested working titles for NICE:

Full Title: Spasticity in children: the management of spasticity in children with a non-progressive brain injury

Short Title: Spasticity in children
