Experts
Beth Anderson from SCIE (BA)

In attendance:
NCCMH Staff: Benedict Anigbogu (BA)
Bronwyn Harrison (BH)
Maryla Moulin (MM)
Craig Whittington (CW)
Melinda Smith (SM)

NICE staff: Caroline Keir (CK)
Judith McBride (JMcb)

Notes

1. SS, the chair and SP, the facilitator of the GDG welcomed the group. Apologies were received from Nick Gould, Barbara Compitus, Andrew Richards and Daphne Keen.
2. There were no interests to be declared.
3. The minutes were agreed as an accurate account of the previous meeting. A meeting with NICE's implementation representative has been arranged.
4. There were no social care concerns discussed.
5. CW presented the outcomes for treatment/ indicated prevention from the meta-analysis data.
6. BA presented the health economic model. GDG members were asked to contribute their knowledge on the following issues:
 - Resource use specification
 - Baseline comparator
 - Cost of conduct disorder
 - Model structure
7. CW presented the outcomes for preventative interventions.
8. JMcb's editorial presentation had to be postponed; GDG members were encouraged to read the presentation and the editorial notes in the own time.
9. SP briefed the GDG on the meeting with Mark Johnson and confirmed that User Voice will be facilitating the focus group on our behalf.
