

April 2026 exceptional surveillance of antisocial behaviour and conduct disorders in children and young people: recognition and management (NICE guideline CG158)

Surveillance report

Published: 17 April 2026

www.nice.org.uk

In April 2026, we reviewed the [recommendations on psychosocial interventions](#).

Surveillance decision

We will not update this guideline. New evidence identified is broadly consistent with the existing treatment framework in the guideline and does not indicate the need for changes to the current recommendations. External guidance from other organisations is also aligned with the approaches recommended in the guideline.
