1. Introduction

The Chair welcomed the GDG to the Stroke Rehabilitation (SR) guideline development group (GDG) induction meeting and asked members to introduce themselves and briefed the group on the meetings objectives. No new declarations of interest were made by the GDG.

2. Presentations: The following presentations were delivered to the Guideline Development Group, providing an induction to the role of Group members, the National Clinical Guideline Centre's core team, the National Institute for Health and Clinical Excellence, and Patient/Carer Representatives. The GDG were also introduced to the Scope of the Guideline, and how Health Economics, Information Science and Research methods will be used throughout development.

- a. Presentation 1 GDG introduction
- b. Presentation 2 Declarations of interest
- c. Presentation 3 Introduction to the NCGC
- d. Presentation 4 Scope of the guideline
- e. Presentation 5 Finding evidence/evidence to recommendations
- f. Presentation 6 Appraising the clinical evidence
- g. Presentation 7 Health economics
- h. Presentation 8 NICE – Patient and carer involvement in the guideline process
- i. Presentation 9 Working with NICE

3. Clinical Questions - Review protocols

The GDG discussed the Review Protocols for the clinical questions to be addressed by the guideline and agreed on the questions regarding cognitive rehabilitation interventions to be reviewed at the next meeting.

4. Summary and any other Business

The meeting ended at 4:00 p.m. The next GDG meeting will take place on 27th May, 2010 at the Royal College of Physicians, Regent's Park.
