**Notes**

- Welcome and declarations of interest**  
 The chair welcomed the group to the second meeting of the ulcerative colitis guideline development group (GDG). The Chair asked all GDG members to declare any relevant conflicts of interest. None were declared. The chair reviewed all declared interests and deemed that none were in conflict with the topics under discussion.
- GRADE**

## Notes

A presentation was delivered on GRADE.

3. **Supporting the GDG to make recommendations**  
A presentation was given on making recommendations.
4. **Evidenced review: rectal steroids for induction of remission**  
The GDG reviewed the evidence for rectal steroids for induction of remission.
5. **GDG feedback on clinical questions and health economics**  
Results from a survey about the prioritising clinical questions and areas for health economics modelling were discussed.
6. **Agree GDG1 minutes**  
The minutes were agreed to be a true and accurate record of the meeting.
7. **Evidence review: rectal aminosalicylates (ASAs) for induction of remission**  
The GDG reviewed the evidence for ASAs for induction of remission.
8. **Health economic model and work plan**  
The proposed work plan and areas for original modelling were discussed.
9. **AOB**  
None
