Apologies:

Saul Faust (SF)

Consultant in Paediatric Infectious Disease and
Senior Lecturer

1. Welcome and apologies

MSM welcomed the group to the meeting and introduced MD, who was attending until the arrival of ML. Apologies were received from SF.

Declarations of interest

No new conflicts of interest were declared. Declarations of interest are kept on file at the NCC-WCH and will be published in the full guideline

Minutes of meetings 5 & 6 and matters arising

The minutes of meetings 5 & 6 were agreed as an accurate record of the meeting.

Task list

The task list was reviewed and outstanding tasks were highlighted.

**2. Overview
Introduction to the physiology of absorption**

A presentation was given on the physiology of absorption.

3. Clinical question 8 on fluid therapy

The evidence for question 8 was presented. Further work on the summary of evidence and draft recommendation will be undertaken and it will be represented to the GDG.

4. Health Economics

A presentation was given on the health economic aspects of the guideline.

5. Community and hospital nursing perspective – implementing good practice in the management of gastroenteritis

Presentations were given relating to the community and hospital nursing perspective.

6. Clinical question 10 on preventing recurrence on dehydration

**Confirmed
V1.0**

23.04.08

**Enclosure 1.1
Amended by RC**

The evidence for question 10 was presented. Further work on the draft recommendations will be undertaken and it will be represented to the GDG.

7. Editing recommendations

The group was shown how the full version of the guideline would be set out.

Clinical question 6 on strategies to prevent dehydration was revisited and recommendations were drafted live.

MSM thanked the participants for attending and closed the meeting.
