---

**1. Welcome and apologies**

MSM welcomed the group to the meeting. Apologies were received from CK, EA, GS and RC  
RF was introduced to the group – he is a Work Programme Coordinator at the NCC-WCH

**2. Overview – Lessons from other guidelines (Enclosure A)**

JC gave a presentation to the group on lessons learned from previous guidelines. The group discussed the issues raised. MSM thanked JC for his presentation.

**3. Clinical Question 11 (Enclosure B)**

AK presented the evidence to the group on feeding during the rehydration phase of therapy. MSM thanked AK for her presentation and the group then discussed the evidence. Following this discussion, the group drafted a recommendation.

**Break**

**4. Clinical Question 12 (Enclosure C)**

AHu presented the evidence to the group on appropriate feeding regimes. MSM thanked AHu for her presentation and the group then discussed the evidence. Following this discussion, the group drafted recommendations.

**Lunch**

**5. Development of introductions**

SGS presented to the group on how to write guideline section introductions. Following this, the topic groups began to draft introductions for their respective sections.

**6. Additional Clinical Question**

The group agreed to defer this agenda item to a later meeting. Instead, AHa presented a draft care pathway. The group discussed the pathway and suggested amendments.

**7. Tasks for GDG meeting 8**

MSM informed the group of the topics which would be discussed at the next meeting.

MSM thanked the participants for attending and closed the meeting.
