Day 1 notes (IBS)

1. DL welcomed everyone to day 1 of the sixth meeting of the clinical guidelines updates Standing Committee. Apologies received from NL, PWh, PW.

DL read out the code of conduct for members of public attending the meeting.

Declarations of interest were discussed and it was agreed that all interests were 'declare and participate'.

A query was raised regarding declarations of interest and family members. It was agreed that this would be discussed during day 2.

2. CH gave a presentation on the comments received from the stakeholder consultation on IBS. The Committee discussed and agreed the responses to the stakeholder comments that required input from the Committee.

3. The Committee agreed that the LETR should be updated to reflect the specific points and stakeholder comments discussed throughout the presentation

The public were informed that the second part of the meeting was closed to the public due to the confidential nature of the business conducted.

4. A discussion about the update recommendations took place.

The next part of the meeting was open to the public.

5. KP gave a presentation on the Information for public (IFP) document.

6. RB gave a presentation on the updated NICE pathway for IBS. It was agreed that a change needs to be made to the location of ‘psychological interventions’ on the pathway.

7. Any other business was discussed

The public were informed that the second part of the meeting was closed to the public due to the confidential nature of the business conducted.

8. Committee training
