| Keith Abrams | Standing committee member | Non-financial professional and personal interest | The OPTIMA trial is co-ordinated by Warwick CTU, and as such my counselling about the implications of our decision on the trial may be perceived as a conflict. As the trial has recruited 3900/4500 patients even if it stopped following any final DAC decision it would not materially have any impact on WCTU. I do not have any formal relationship with Warwick CTU (but I am an Adjunct [internal honorary] Professor in Warwick Medical School – which they are also part of), though I do collaborate with colleagues in Warwick CTU (mainly, but not exclusively, on methodological projects) and have not had any involvement with the OPTIMA trial. | 2017 | Oct 2023 | Ongoing | Declare and participate <i>Confirmed by Chair and AD 30 October 2023.</i> |

| Keith Abrams | Standing committee member | Financial | Partner & Director, Visible Analytics Limited - a HTA Consultancy company, but I have not been involved in any projects which involve a diagnostic technology. However, Visible Analytics is undertaking a project for Echosens on evaluating FibroScan for assessing liver fibrosis and cirrhosis in primary care. I am not involved in the project in any way and measures have been taken (for example I do not have access to the project folder etc) to avoid potential conflicts. | May 2019 | Oct 2023 | Ongoing | Declare and participate. |
