			Contract with London Ambulance for expert evaluation and user trial for access and egress with patients, (LAS NHS Trust, Contract ENT10538, £50K + VAT). The provider in one vehicle was Stryker (powered trolley and stairclimbing wheelchair). I have presented some findings back to Styker in an internal staff facing event. Project ongoing, no bed frames involved only ambulance products.	2022	Nov 2024	March 2025	Declare and participate
