1. Welcome and objectives for the meeting

In the Chair's absence, PJ welcomed the Committee members and attendees to the 3rd meeting on Heavy Menstrual Bleeding. The Committee members and attendees introduced themselves.

PJ informed the Committee that no apologies had been received which are noted above.

PJ outlined the objectives of the meeting, which included:

- Presentation of the evidence and drafting recommendations for the diagnostic accuracy of ultrasound and hysteroscopy for investigation
- Presentation on the progress of the network meta-analysis
- Presentation of the preliminary findings for the evidence review for the treatment of heavy menstrual bleeding

Introductions

2. Confirmation of matter under discussion, and declarations of interest

PJ confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was Heavy Menstrual Bleeding

PJ asked everyone to verbally declare any interests

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Natasha Waters	Consultant Obstetrician and Gynaecologist, Western Sussex Hospitals NHS	Travel paid by Kebomed (www.kebomed.co.uk) to learn a new mesh prolapse procedure in Hannover, Germany on 25, 26 January 2017	Personal financial, non-specific	Declare and participate

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in the meeting.
