				Interest arose	Interest declared	Interest ceased	
Vivek Misra	Committee member (Oncologist)	Direct, non-financial	SI for PRAER trial in locally advanced rectal cancer. The Department received funding from a company called Eisai, but the trial is a fully approved trial and again no funding was received by myself.	2017	15/11/2017	Ongoing	Declare and participate. Rationale: The one-arm phase I trial was not relevant for the reviews covered in this guideline.
Vivek Misra	Committee member (Oncologist)	Direct, non-financial	SI for OPERA trial in early rectal cancer. No personal funding was received for these trials (NCRI funded trial to Department).	2018	15/11/2017 and 03/05/2018	Ongoing	Declare and participate. Rationale: The trial was not relevant to any of the reviews.

Vivek Misra	Committee member (Oncologist)	Direct, financial	Private Practice: Breast cancer and Colorectal Cancer specialist. For colorectal cancer, I only treat and give advice regarding radiotherapy and chemo-radiotherapy. I am also the chair of The Christie Private Care Medical Advisory Committee and the Clinical Governance Lead for this organisation. Paid on a 'fee per service' basis. Vivek's private practice patients are treated the same as NHS patients. His private work is with the Christie which has the same treatment guideline for private and NHS patients. It is also monitored by the GMC to confirm that it mirrors NHS practice completely. Also does a very small amount of private work. He treated one colorectal cancer patient privately in the last year (compared to 180 patients treated in the NHS).	2008	24/11/2017 and 28/03/2018	Ongoing	Declare and participate. Rationale: Private practice mirrors entirely his NHS practice and constitutes only 0.5% of his colorectal patients.
Vivek Misra	Committee member (Oncologist)	Direct, non-financial	N Ghosal, V Misra, A case of Capecitabine-induced Hyperpigmentation and Radiation Recall Phenomenon, Clinical Oncology 2009 21:632-638	2009	15/11/2017	Ongoing	Declare and participate. Rationale: Interest is non-specific.
