

Membership of Public Health Advisory Committee (PHAC) for Workplace health: long-term sickness absence and capability to work (update)

The Committee will operate as an advisory Committee to NICE's Board, developing a guideline update on workplace health: long-term sickness absence and capability for work.

The terms of reference and standing orders for the Committee can be found in appendix D of Developing NICE guidelines: the manual.

Variations to the terms of reference:

The Committee has 17 members, to include 9 core members and 8 topic expert members. In addition, there is 1 co-opted member.
