Name	Role with NICE	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	
Damian Wood	Committee member Paediatric dermatologist	Direct – non-financial professional and personal	Steering group member: Young People’s Health Special Interest Group of the Royal College of Paediatrics and Child Health.	April 2008	09/11/2018	Ongoing	GL= guideline lead, NGA CA = clinical advisor, NICE CC = committee chair GCM = guideline commissioning manager, NICE <ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: Interest is not specific to the topic
Damian Wood	Committee member Paediatric dermatologist	Direct – non-financial professional and personal	Member of Society of Adolescent Health and Medicine.	October 2013	09/11/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: Interest is not specific to the topic

Damian Wood	Committee member Paediatric dermatologist	Direct – financial	Director, Young People’s Medical Services (Nottingham) Ltd A company providing medical consultation and training services to private provider adolescent mental health units. We currently provide paediatric medical consultant services to the Schoen clinic, a private mental health provider delivering care for NHS patients aged 8-18yrs with eating disorders.	July 2014	10/12/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: Interest is not specific to the topic
Damian Wood	Committee member Paediatric dermatologist	Direct – financial	Consultant Paediatrician Through YPMS Ltd I currently provide paediatric medical consultant services to the Schoen clinic a private mental health provider delivering in-patient care for NHS patients aged 8-18yrs with eating disorders.	July 2014	10/12/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: Interest is not relevant to the topic

Damian Wood	Committee member Paediatric dermatologist	Direct – non-financial professional and personal	I have been asked to write a commissioned article for a paediatric journal (Archives of Disease in Childhood, Education and Practice, BMJ Journals Group) entitled Fifteen minute consultation; the young person with acne.	Commissioning letter and agreement with co-author to contribute to article 9 th January 2019	07/03/2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 11/04/2019 • Rationale: The article did not mention any specific opinion on matters within the scope of the guideline.
Eugene Healy	Committee member Topic Advisor	Direct – non-financial professional and personal	I am a member of dermatological organisations such as the British Association of Dermatologists which are interested in the NICE guidance on acne.	1993	30/07/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: This is a non-financial interest and any views expressed by the British Association of Dermatologists are based on consensus and do not necessarily reflect the views of the committee member.
Eugene Healy	Committee member Topic Advisor	Direct – non-financial professional and personal	I have been involved in helping organise scientific / dermatological conferences over the past 18 years in which participants have reported on acne and its treatment.	2000	30/07/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: His role in organising these conferences was not sponsored by industry

Eugene Healy	Committee member Topic Advisor	Direct – non-financial professional and personal	<p>I have recently started collaborating with a clinical lecturer in primary care (funded by NIHR) on research regarding antibiotic use, diet and acne. A stage 1 grant application (feasibility study examining whether dietary changes can improve acne and reduce use of antibiotic treatments for acne), on which I am a co-applicant, has been submitted to NIHR RfPB in July 2018</p> <p>Update 26 March 2019</p> <p>No funding was awarded, and there are no plans to submit an application for a similar study elsewhere</p>	November 2017	30/07/2018	26/03/2019	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 26/03/2019 • Rationale: Interest is specific, but the interest has ceased, and no study was conducted
--------------	-----------------------------------	--	--	---------------	------------	------------	---

Eugene Healy	Committee member Topic Advisor	Direct – non-financial professional and personal	I have recently started collaborating with Prof Tim Leighton, who is Professor of Ultrasonics and Underwater Acoustics in the University of Southampton, and Inventor-in-Chief and a Director in Sloan Water Technology Ltd., and who is developing a “bubble acoustics” device for medical use. A grant application, headed by Prof Leighton, has been submitted to Innovate UK in January 2020 which, if successful, aims to develop the bubble acoustic device for use in various medical conditions and will include a small future feasibility study in acne vulgaris.	January 2020	January 2020	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC • Rationale: Interest is not specific to the topic
--------------	-----------------------------------	--	---	--------------	--------------	---------	--

Jack Higgins	Committee member Lay member (membership started 7 th August 2019)	None					N/A
Jane Wilcock	Committee member GP	Direct – financial	Shares in Unilever (holding = 80). I receive a dividend 6 monthly due to owning some Unilever shares. I know they make soaps, I am not sure about any acne products.	2009	27/11/2018	Ongoing	<ul style="list-style-type: none"> • Declare and withdraw from drafting recommendations on 'Skin cleansing' • Agreed by GL and CC 25/03/2019 • Rationale: Interest is specific as Unilever produces a small number of cleansing products

Jane Wilcock	Committee member GP	Direct – non-financial professional and personal	Written article: Polycystic ovarian syndrome: overdiagnosed and overtreated? Jane Wilcock and David Taylor Br J Gen Pract 2018; 68 (670): 243. DOI: https://doi.org/10.3399/bjgp18X696113 Unpaid. Polycystic ovary syndrome women have associated acne. This article looked at criteria for PCOS diagnosis as part of my membership of overdiagnosis group RCGP.	2017/2018	27/11/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: Interest is relevant to the topic but not specific to the review questions
Jane Wilcock	Committee member GP	Direct – non-financial professional and personal	Chair of standing group at RCGP: overdiagnosis group – voluntary.	Oct 2018	27/11/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: Interest is not specific to the topic

Jane Wilcock	Committee member GP	Direct – non-financial professional and personal	Vice chair of NW faculty RCGP – voluntary.	Nov 2018	27/11/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: Interest is not specific to the topic
Jane Wilcock	Committee member GP	Direct – non-financial professional and personal and direct financial	Women’s health lead, speaker and chair at GP updates Mersey faculty RCGP- voluntary but I have been informed by faculty officers they will be paying me £330 for a day in March 2019. Update 4 June 2019: The payment of £330 has been awarded for this role.	2014	27/11/2018	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment and reviewed and agreed by GL and CC 06/06/2019 • Rationale: A one off payment was received, but the interest is not specific to the topic

Jane Wilcock	Committee member GP	Direct – non-financial professional and personal and Indirect financial	Chair, educational advisor and speaker at Arlington British Medical Academy (ABMA) GP updates. Voluntary but the GP owner will pay a charity (friends of my local park where I am chair, Friends of Longsight Park, Bolton) a donation to improve local green space. I do not personally benefit financially. This company is a private educator, free to GP attendees and sponsored by a number of pharma companies but I am not involved in that area. They have stalls at the events. Update 30 August 2019 £300 for a days' chairing to friends of Longsight Park- Bolton bank account	2019	04/06/2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 06/06/2019 • Rationale: Interest is not specific to the topic, and the member will not personally benefit financially from the interest
Jane Wilcock	Committee member GP	Direct – non-financial professional and personal	Member steering committee of UK Standards for Microbiology Investigations (UKSMI) at Public Health England	2019	04/06/2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 06/06/2019 • Rationale: Interest is not specific to the topic

Jay Stone Lay member (membership ceased March 2019)	Committee member	Direct – non- financial professional and personal	I work for PHE.	July 2018	Oct 2018	Ongoing	The committee member is no longer on the committee
Julia Cons	Committee chair	None					N/A
Julia Schofield (membership ceased March 2020)	Committee member Adult dermatologist	Direct – financial	Private medical practice - seeing patients with acne as private patients and prescribing common acne treatments. Role ended in August 2018.	1999	07/12/2018	Aug 2018	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: The committee member would not be able to retrospectively benefit from past private practice by being on the committee
Julia Schofield	Committee member Adult dermatologist	Direct – non- financial professional and personal	I am a member of dermatological organisations such as the British Association of Dermatologists which are interested in the NICE guidance on acne.	1990	31/01/2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 11/04/2019 • Rationale: This is a non-financial interest and part of her professional role. It is not expected to pose a conflict to drafting recommendations

Julia Schofield	Committee member Adult dermatologist	Direct – non-financial professional and personal	I am consultant dermatology lead for masters programme at the University of Hertfordshire where we teach nurses and doctors about acne and its treatment used resources from the literature and the Centre of Evidence Based Dermatology.	2006	31/01/2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 11/04/2019 • Rationale: This is a non-financial interest and part of her professional role. It is not expected to pose a conflict to drafting recommendations
Julia Schofield	Committee member Adult dermatologist	Direct – non-financial professional and personal	Between 2016 and 2018 I was a member of a Dermatology ABPI expert working group producing a report about improving dermatology services. The funding for the work was provided by a collaborative of Pharma companies. I did not receive funding to attend the EWG meetings.	2016	31/01/2019	2018	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 11/04/2019 • Rationale: The report makes recommendations on information and support; however, the recommendations are not specific and uncontroversial. The report also makes recommendations on technology in referral of people with skin conditions, which is not within the scope of the guideline. The report is not expected to pose a conflict to drafting recommendations

Julia Schofield	Committee member Adult dermatologist	Direct – financial	As part of membership of the expert working group for the ABPI dermatology initiative, I completed a large piece of work reviewing dermatology activity in primary care, this included patients with acne. This work, which was completed in October 2018 was funded by the Dermatology ABPI group which is an organisation of several Pharma companies. There are no more expected payments as the work has been completed.	2016	31/01/2019	2018	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 11/04/2019 • Rationale: Interest was financial, but there was no further payment or financial gain
Julia Schofield	Committee member Adult dermatologist	Direct – non-financial professional and personal	Submitted for publication data on GP consultations in primary care July 2018 (this interest is related to the interest in the row above).	2018	31/01/2019	2018	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 11/04/2019 • Rationale: The submitted paper is not specific to the topics in the scope of the guideline. The paper did not pose a conflict to drafting recommendations

Julia Schofield	Committee member Adult dermatologist	Direct – non-financial professional and personal	Presentation of a retrospective cohort study of low dose isotretinoin in a poster at the BAD annual meeting 2017	2017	31/01/2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 11/04/2019 • Rationale: the interest is specific to the question on isotretinoin, but data are not published in indexed literature, and no clear opinion is expressed on the use of isotretinoin. The poster did not pose a conflict to drafting recommendations
-----------------	---	--	--	------	------------	---------	--

Julia Schofield	Committee member Adult dermatologist	Direct – non-financial professional and personal	<p>A draft vignette was considered by the UK clinical trials unit in February 2019, where I am co-applicant, to develop a bid for a trial of low dose isotretinoin. Neither a formal bid nor a formal protocol have been drafted, the trial is not registered, and no funding has been awarded. No funds from industry will be sought. If funding is awarded, my role in the trial is yet to be determined.</p> <p>UPDATE August 2019: I will have no involvement in the work on developing a proposal for the study for low dose isotretinoin. If UK DCTU take forward development of a proposal, I will not be involved in the work around this until after January 2021 when the guideline is due to be published.</p>	2017	31/01/2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and CC 23/08/2019 • Rationale: the interest has ceased for the duration of guideline development
-----------------	---	--	---	------	------------	---------	---

Karen Joy	Committee member Lay member	None					N/A
Mohammed Rafiq	Committee member Pharmacist	None					N/A
Neil Walker	Co-opted committee member Cosmetic dermatologist (membership started 16 th May 2019)	Direct – financial	Salaried employee and Director of Stratum Clinics Ltd an independent provider of dermatology and other specialist services	July 2017	May 2019	Ongoing	<ul style="list-style-type: none"> • Declare and withdraw from drafting recommendations on ‘Management of scarring’ • Agreed by GL, Chair of the committee and NICE GCM during development • Rationale: The member’s private practice is a direct financial conflict of interest. The member was present for the discussion of evidence and for input into the technical / practical details of the physical modality treatment options for acne. He was not present when the final decision on the content of the recommendation related to the management of scarring was drafted.

Neil Walker	Co-opted committee member Cosmetic dermatologist (membership started 16 th May 2019)	Direct – financial	2% shareholding in The Dermatology Partnership, owner of Stratum Clinics Ltd	July 2017	May 2019	Ongoing	<ul style="list-style-type: none"> • Declare and withdraw from drafting recommendations on ‘Management of scarring’ • Agreed by GL, Chair of the committee and NICE GCM during development • Rationale: The member’s private practice is a direct financial conflict of interest. The member was present for the discussion of evidence and for input into the technical / practical details of the physical modality treatment options for acne. He was not present when the final decision on the content of the recommendation related to the management of scarring was drafted.
Neil Walker	Co-opted committee member Cosmetic dermatologist	Direct – non-financial professional and personal	Co-author of books, chapters and papers which include discussion of the use of lasers and other devices used for treating acne scarring	1985	May 2019	Ongoing	<ul style="list-style-type: none"> • Declare and participate • Agreed by GL and NICE CA at recruitment • Rationale: The member has no recent publications specific to acne
