

Pelvic floor dysfunction: prevention and non-surgical management Advisory Committee Interests Register

Register last updated: 22/09/2021

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Raymond Jankowski	Committee Chair	Direct non-financial professional and personal	Employed as National Lead of Healthcare Public Health in PHE	January 2014	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific to the scope of the guideline
Raymond Jankowski	Committee Chair	Direct non-financial professional and personal	Core member of PHAC A committee	October 2016	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific
Raymond Jankowski	Committee Chair	Indirect non-financial professional and personal	Wife, Dr Mary Ramsay is deputy director of immunisations at PHE and occasionally provides expert advice to relevant NICE committees	April 2013	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific to the scope of the guideline
Raymond Jankowski	Committee Chair	Indirect non-financial professional and personal	Brother, Professor Janusz Jankowski was appointed as clinical adviser on NICE clinical guidelines from February 2018	February 2018	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific to the scope of the guideline
Doreen McClurg	Topic Advisor	Direct non-financial professional and personal	Past chair and member of the CSP professional network Pelvic Obstetric and Physiotherapy	1980	During recruitment	2000	Declare and participate Rationale: This interest ceased in 2000
Doreen McClurg	Topic Advisor	Direct non-financial professional and personal	Member and currently chair of the physiotherapy committee of the International Continence Society	2000	During scoping	Ongoing	Declare and participate Rationale: This working group works

							collaboratively by consensus and any work produced by this group is not the person's own opinion.
Doreen McClurg	Topic Advisor	Direct non-financial professional and personal	Potentially I am a co-applicant to some of the research the committee will be reviewing but all are non-commercial studies and no direct financial gain.	No yet applied			Declare and participate Rationale: This interest is to be reviewed when an application has been made and / or funding has been received. Update: This application did not end up being made
Doreen McClurg	Topic Advisor	Direct non-financial professional and personal	Member of the National Bladder and Bowel Health Project which has been launched by NHS England	November 2019	28 th November 2019	Ongoing	Declare and participate Rationale: This Health Project works collaboratively by consensus and any work produced by this group is not the person's own opinion.
Doreen McClurg	Topic Advisor	Direct non-financial professional and personal	A co-applicant in a publication that might be relevant to this review but has not been included as yet Hagen S, Elders A..... McClurg D. Effectiveness of	October 2020	16 th November 2020	Ongoing	Declare and participate Rationale: The publication was included but formed

			pelvic floor muscle training with and without electromyographic biofeedback for urinary incontinence in women: multicenter randomized controlled trial BMJ 2020;3719 doi 10.1136/bmj.m3719				one small part of a large evidence base.
Lucia Berry	Committee member	Direct non-financial professional and personal	Lecturer for Brunel University. I am the lecturer for the advanced clinical practitioner MSc in Pelvic Health	August 2018	During recruitment	Ongoing	Declare and participate Rationale: This is an educational role and matters specific to the guideline will not be disclosed
Lucia Berry	Committee member	Direct financial	TMLEP I work as an physio expert for this medico legal organisation	February 2018	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific since the committee member agreed not to take on any cases related to pelvic floor dysfunction.
Lucia Berry	Committee member	Direct non-financial professional and personal	NHS England expert reference group for postnatal care.	October 2017	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific to the scope of the guideline.
Heather Boulton	Lay member	non-financial	PPI lay review of NIHR funded projects sent by Haydee Garcia for reviewing before grant approval	2018	14 th August 2019	Ongoing	Declare and participate Rationale: This interest is non-specific.
Heather Boulton	Lay member	Indirect interest	NIHR CCFRMS Lay review of grants	2017	28 th November 2019	Ongoing	Declare and participate

							Rationale: This interest is non-specific to the scope of the guideline.
Jennifer Davies	Committee member	Direct non-financial professional and personal	Chair of the BSUG Information Committee	October 2015	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific to the scope of the guideline
Jennifer Davies	Committee member	Direct non-financial professional and personal	Member of Pessary Use for Pelvic Organ Prolapse UK Guideline Group	January 2019	During recruitment	March 2021	Declare and partial exclusion (present for the discussion but not for the final wording of recommendations). Rationale: This working group produced a guideline for the use of pessaries in pelvic organ prolapse. This is produced collaboratively by consensus and is not the person's own work. However, the output of this work is directly relevant to the scope of the guideline. Update: This declaration was reviewed when related recommendations for this topic were drafted and finalised and it was

							decided to partially exclude this committee member
Jennifer Davies	Committee member	Direct financial	Carrying out private practice 2018-19 21 patients with pelvic floor dysfunction seen	January 2000	17 th September 2019	Ongoing	Declare and participate. Rationale: This interest is currently under discussion with NICE Update: her private practice is related to specialist rather non-specialist management of PFD and therefore not applicable
Jennifer Davies	Committee member	Direct financial	About to purchase a part share in a Mona Lisa Touch vaginal laser machine for use in private practice. Treatment will only be offered for symptoms of vaginal atrophy. Treatment will not be offered for pelvic floor dysfunction as I do not believe there is sufficient evidence of benefit.	November 2019	28 th November 2019	Ongoing	Declare and participate Rationale: This equipment is for specialist rather than non-specialist practice.
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Member of pessary use for pelvic organ prolapse UK guideline group	January 2019	During recruitment	March 2021	Declare and partial exclusion (present for the discussion but not for the final wording of recommendations). Rationale: This working group produced a guideline for the use of

							<p>pessaries in pelvic organ prolapse. This is produced collaboratively by consensus and is not the person's own work. However, the output of this work is directly relevant to the scope of the guideline.</p> <p>Update: This declaration was reviewed when related recommendations for this topic were drafted and finalised and it was decided to partially exclude this committee member</p>
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Co-applicant treatment of prolapse with self-care pessary (TOPSY study) funded by NIHR/HTA	November 2017	During recruitment	July 2021	<p>Declare and partial exclusion (present for the discussion but not for the final wording of recommendations).</p> <p>Rationale: This interest will be reviewed when the use of 'self-care pessary' is going to be discussed</p> <p>Update: This declaration was</p>

							reviewed when related recommendations for this topic were drafted and finalised and it was decided to partially exclude this committee member
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Applied to HEE/NIHR integrated clinical academic programme for a clinical doctoral research fellowship	April 2019	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific to the scope of the guideline
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Co-applicant of UKCS small grant to carry out a service evaluation to determine where and who delivers pessary care in the UK to create a sampling frame for a planned clinical survey	June 2019	During recruitment	December 2019	Declare and partial exclusion (present for the discussion but not for the final wording of recommendations). Rationale: This interest will be reviewed when the use of pessary is going to be discussed. Update: This declaration was reviewed when related recommendations for this topic were drafted and finalised and it was decided to partially exclude this committee member.

Lucy Dwyer	Committee member	Direct non-financial professional and personal	Clinical trial manager for the industry funded investigator led latitude study-funded by Contura	May 2017	During recruitment	Ongoing	Declare and participate Rationale: This interest is non-specific to the scope of the guideline.

Lucy Dwyer	Committee member	Direct non-financial professional and personal	Telephone interview with EMBS group for market research regarding conservative management of urinary incontinence	January 2019	During recruitment	28 th January 2019	Declare and participate. Rationale: This interest was a one-off interview, which is almost a year ago.
Lucy Dwyer	Committee member	Indirect financial	Awarded funding by HEE/NIHR Integrated Clinical Academic Programme for a Clinical Doctoral Research Fellowship	January 2020	10 th January 2020	Ongoing	Declare and participate. Rationale: This interest is non-specific to the scope of the guideline.
Lucy Dwyer	Committee member	Indirect financial	Applied to Wellbeing of Women for a Clinical Doctoral Research Fellowship	September 2019	10 th January 2020	Application under review	Declare and participate. Rationale: This interest is non-specific to the scope of the guideline.
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Commenced HEE/NIHR Integrated Clinical Academic Programme for a Clinical Doctoral Research Fellowship	April 2021	27 th August 2021	Ongoing	Declare and participate. Rationale: This interest is non-specific to the scope of the guideline.
Lucy Dwyer	Committee member	Direct non-financial	Publication related to pessary care	March 2021	27 th August 2021	Ongoing	Declare and partial exclusion (present for the discussion but not

		professional and personal					for the final wording of recommendations). Due to another previously reported declaration the member was not involved when recommendations for pessaries were finalised..
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Publication related to pessary care	Not stated	27 th August 2021	February 2021	Declare and partial exclusion (present for the discussion but not for the final wording of recommendations). Due to another previously reported declaration the member was not involved when recommendations for pessaries were finalised..
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Publication related to pessary care	Not stated	27 th August 2021	October 2020	Declare and partial exclusion (present for the discussion but not for the final wording of recommendations). Due to another previously reported declaration the member was not involved when recommendations for

							pessaries were finalised..
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Publication related to pessary care	Not stated	27 th August 2021	October 2020	<p>Declare and partial exclusion (present for the discussion but not for the final wording of recommendations).</p> <p>Due to another previously reported declaration the member was not involved when recommendations for pessaries were finalised..</p>
Lucy Dwyer	Committee member	Direct non-financial professional and personal	Publication related to pessary care	Not stated	27 th August 2021	September 2020	<p>Declare and partial exclusion (present for the discussion but not for the final wording of recommendations).</p> <p>Due to another previously reported declaration the member was not involved when recommendations for pessaries were finalised..</p>
Catherine Heffernan	Committee member	Direct non-financial professional and personal	Following the birth of my first child, I experienced a weakened pelvic floor, multiple pelvic organ prolapse and urinary incontinence	November 2008	13 th September 2019	Ongoing	<p>Declare and participate.</p> <p>Rationale: Even though she is appointed as, a member with commissioning</p>

							experience this interest is directly related to the guideline. The experience will provide an additional personal perspective to the committee.
Catherine Heffernan	Committee member	Direct non-financial professional and personal	Due to the personal reason above, I was a layperson/patient member of the NICE guideline for urinary incontinence and multiple pelvic organ prolapse	2017	13 th September 2019	2018	Declare and participate. Rationale: This is a related guideline which has since been published.
Jim Khan	Co-opted member	Direct Financial	Private practice alongside a 12 PA NHS job as consultant. I do a full time NHS job as consultant but also do private practice. My areas of expertise are rectal cancer surgery. Less than 1% of my patients present with pelvic floor problems/symptoms		11 th September 2019	Ongoing	Declare and participate. Rationale: This is a co-opted role and we will take this declaration into consideration when in the topics where his input is needed. Update: his private practice is related to specialist rather non-specialist management of colorectal symptoms related to PFD and therefore not applicable.
Julian Spinks	Committee member	Direct Financial	Partner Court View Surgery	October 1988	During recruitment	Ongoing	Declare and participate.

							Rationale: This is a non-specific declaration.
Julian Spinks	Committee member	Direct Financial	Chairman and Medical Director Medway Practices Alliance (GP federation)	March 2015	During recruitment	Ongoing	Declare and participate. Rationale: This is a non-specific declaration to the scope of the guideline.
Julian Spinks	Committee member	Direct non-financial	GP Adviser Association For Continence Advice	January 2009	During recruitment	Ongoing	Declare and participate. Rationale: This working group advice related to continence. This is produced collaboratively by consensus and is not the person's own work.
Julian Spinks	Committee member	Direct non-financial	GP Adviser/Trustee RLS-UK (Charity)	January 2011	During recruitment	Ongoing	Declare and participate. Rationale: This declaration is non-specific to the scope of the guideline.
Julian Spinks	Committee member	Direct non-financial	Editorial Board member Self Care Journal	September 2009	During recruitment	Ongoing	Declare and participate. Rationale: This declaration is non-specific to the scope of the guideline.
Julian Spinks	Committee member	Direct Financial	Vice Chairman Kent Local Medical Committee	April 2017	During recruitment	Ongoing	Declare and participate.

							Rationale: This declaration is non-specific
Julian Spinks	Committee member	Direct Financial	I received payment from Ferring Pharmaceuticals for lecturing on Nocturnal Polyuria	June 2019	During recruitment	11 th June 2019	Declare and participate. Rationale: This presentation was not directly linked to pelvic floor dysfunction but to general nocturnal polyuria.
Julian Spinks	Committee member	Direct Financial	Paid adviser and speaker at launch of Inovo Pelvic Floor Stimulator (Non invasive treatment for pelvic floor disorder)	January 2016	During recruitment	31st December 16	Declare and participate. Rationale: This declaration is no longer active and over a year old.
Julian Spinks	Committee member	Direct Financial	Lecture tour on nocturnal polyuria with speakers fees paid by Ferring Pharmaceuticals	27 th February 2017	09 th of March 2020	12 th March 2020	Declare and participate. Rationale: This interest is non-specific to the scope of the guideline.
Ellie Stewart	Committee member	Direct non-financial professional and personal	RCN Women's health steering committee	November 2018	During recruitment	Ongoing	Declare and participate. Rationale: This interest is non-specific to the scope of the guideline
Ellie Stewart	Committee member	Direct non-financial professional and personal	Pessary Use for pelvic organ prolapse UK Guideline Group. Member of the group developing best practice guidelines for pessary management	September 2018	During recruitment	March 2021	Declare and partial exclusion (present for the discussion but not for the final wording of recommendations).

							<p>Rationale: This working group produced a guideline for the use of pessaries in pelvic organ prolapse. This is produced collaboratively by consensus and is not the person's own work. However, the output of this work is directly relevant to the scope of the guideline.</p> <p>Update: This declaration was reviewed when related recommendations for this topic were drafted and finalised and it was decided to partially exclude this committee member</p>
Ellie Stewart	Committee member	Direct non-financial professional and personal	UKCS. To look at the number of pessaries inserted and changed in hospitals in the UK and to see who is inserting them. To use this information when writing the guideline detailed above	July 2019	During recruitment	Ongoing	<p>Declare and participate</p> <p>Rationale: This interest is non-specific (i.e. number of pessaries and who inserts them is not part of the scope)</p>
Ellie Stewart	Committee member	Direct non-financial professional and personal	IUGA Symposium. I spoke at the IUGA symposium on 29 th June. I gave a workshop on pessary management	June 2019	During recruitment	Ongoing	<p>Declare and partial exclusion (present for the discussion but not</p>

							for the final wording of recommendations). Rationale: To be reviewed when this topic is going to be discussed. Update: This declaration was reviewed when related recommendations for this topic were drafted and finalised and it was decided to partially exclude this committee member

			influence different health behaviours. Reed, P., Mann, K., & Osborne, L.A. (in press). Pelvic Floor Muscle Training services across the UK: A benchmarking survey of POGP members. Journal of Pelvic, Obstetric, and Gynaecological Physiotherapy. Reed, P., Whittall, C.M., Osborne, L.A., & Emery, S. (in press). Impact of strength and nature of patient health values on compliance and outcomes for physiotherapy treatment for pelvic floor dysfunction. Urology.				
Phil Reed	Committee member	Indirect non-financial professional and personal	I work with my wife, Dr. Lisa A. Osborne, in this area.	2009	During recruitment	Ongoing	Declare and participate Rationale: To be reviewed after the selection of included studies Update: See the row with publications which includes publications co-authored by Lisa A Osborne.
Phil Reed	Committee member	Non-financial professional and personal interest	I have been shortlisted for a Macmillan grant of £15,000 to	2020	21 st January 2020	Ongoing	Declare and participate

			work on psychological factors associated with pelvic floor rehabilitation after surgery. This has not yet been awarded.				Rationale: This interest is non-specific since pelvic floor rehabilitation after surgery is outside the scope of this guideline.
Lucy Ryan	Committee member (until January 2021)	Direct non-financial professional and personal	Lay member on NICE Urinary Incontinence and Pelvic Organ Prolapse guideline committee	March 2017	19 th September 2019	April 2019	Declare and participate. Rationale: This related guideline has since been published. Recommendations are decided collaboratively by consensus and are not the person's own work.
Lucy Ryan	Committee member (until January 2021)	Direct non-financial professional and personal	Trustee then Co-ordinator of the Pelvic Partnership Charity	2010	19 th September 2019	March 2019	Declare and participate. Rationale: This interest is non-specific since this charity focussed mainly on pelvic girdle pain.
Lucy Ryan	Committee member (until January 2021)	Direct non-financial professional and personal	Lay member on NICE Chronic Pain guideline committee	March 2018	19 th September 2019	Ongoing	Declare and participate. Rationale: This interest is non-specific. Recommendations are decided collaboratively by consensus and are not the person's own work.

Mary McDonald	Committee member	None	None	None	None	None	None
Karen Ward	Co-opted committee member	Indirect financial	Co-grant holder FUTURE study (Female Urgency. Trial of Urodynamics as Routine Evaluation) 15/150/05	2016	19 th June 2019	Ongoing	Declare and participate. Rationale: This interest is non-specific since urodynamic evaluation is not part of the scope.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Independent Member of study steering committee: HS&DR Project 14/70/162 from November 2016 •Surgical care for female urinary incontinence in England	2017	19 th June 2019	2019	Declare and participate. Rationale: This interest is non-specific since surgical care is outside the scope of the guideline.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Vice Chair of UK Continence society	2017	19 th June 2019	Ongoing	Declare and participate. Rationale: This interest is non-specific. It is a society related to all continence issues. Any output is produced collaboratively by consensus and is not the person's own work.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Chair of British Society of Gynaecologists Training committee	2017	19 th June 2019	Ongoing	Declare and participate. Rationale: This is related to the trainee curriculum. Any output is produced collaboratively by

							consensus and is not the person's own work.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Chair: Native surgery for prolapse. BSUG annual Scientific Meeting. RCOG	October 2018	19 th June 2019		Declare and participate. Rationale: This interest is non-specific since surgery is outside the scope of the guideline.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	BSUG representative on RCOG Subspecialty training Committee	2018	19 th June 2019	Ongoing	Declare and participate. Rationale: This is related to the trainee curriculum. Any output is produced collaboratively by consensus and is not the person's own work.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Course Convenor – Understanding Urodynamics, RCOG	2018	19 th June 2019	Ongoing	Declare and participate. Rationale: This is related to the training and provides general background rather than any particular views on treatment or management of pelvic floor dysfunction that are covered in the scope. Course content is decided collaboratively.

Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Lecture on Urodynamics, Manchester Urodynamics Course	2018	19 th June 2019	Ongoing	Declare and participate. Rationale: This is related to the training and provides general background rather than any particular views on treatment or management of pelvic floor dysfunction that are covered in the scope.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Speaker: Management of Mesh Complications. UCLH 9 th Annual Masterclass Urogynaecology and Female Urology , UCLH London	November 2018	19 th June 2019	November 2018	Declare and participate. Rationale: This declaration is non-specific since it relates to surgical management which is outside the scope of the guideline.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Speaker: Surgery for Mesh Complications BAUS section female urology meeting	2019	19 th June 2019	Ongoing	Declare and participate. Rationale: This declaration is non-specific since it relates to surgical management which is outside the scope of the guideline.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Meeting Organiser and Co-Chair at the UK Mesh Centre Meeting, Sheffield	Dec 2018	19 th June 2019	Ongoing	Declare and participate. Rationale: This declaration is non-

							specific since it relates to surgical management which is outside the scope of the guideline.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Speaker: Surgery for Vault Prolapse, Non-Mesh Surgery for Stress Incontinence. 9th ERC-RCOG International Conference, Cairo	February 2019	19 th June 2019	Ongoing	Declare and participate. Rationale: This declaration is non-specific since it relates to surgical management which is outside the scope of the guideline.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Chair UKCS annual scientific meeting, Manchester	April 2019	19 th June 2019	Ongoing	Declare and participate. Rationale: This interest is non-specific. It is a society related to all continence issues. Any output is produced collaboratively by consensus and is not the person's own work.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Topic expert: Urinary Incontinence and Pelvic Organ Prolapse NICE Guideline (NG123)	2016	19 th June 2019	2019	Declare and participate. Rationale: This related guideline has since been published. Recommendations are decided collaboratively by consensus and are not the person's own work.

Karen Ward	Co-opted committee member	Direct non-financial	Vice Chair BSUG	3 rd October 2019	22 nd October 2019	October 2021	Declare and participate Rationale: This declaration is related to specialist rather than non-specialist care and is therefore not related to the scope of this guideline.
Karen Ward	Co-opted committee member	Direct non-financial	Member of mesh oversight group (as part of role as BSUG Vice Chair)	November 2019	28 th November 2019	Ongoing	Declare and participate Rationale: This declaration is related to surgery and is therefore not related to the scope of this guideline.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Speaker at RCOG annual professional development conference about NG123	17 November 2020	05 February 2020	17 November 2020	Declare and participate Rationale: This declaration is related to NG123 which is focused to a greater extend on specialist rather than non-specialist services.
Karen Ward	Co-opted committee member	Direct non-financial professional and personal	Co-authored a Chapter for the Pelvic Floor society document on recovery of pelvic floor services after COVID – “How combining Pelvic Floor expertise can improve the patient experience”	August 2020	05 February 2020	Ongoing	Declare and participate Rationale: This chapter is focused on specialist rather than non-specialist services.

Priya Madhuvrata	Co-opted committee member	Direct non-financial professional and personal	Cochrane incontinence editor	2016	01 February 2020	Ongoing	Declare and participate Rationale: This interest is non-specific to the guideline scope.
