---------------------------------	--

1. Welcome and apologies

The Chair welcomed the Committee members and attendees to the 3rd MASLD guideline committee meeting.

The Chair informed the Committee that apologies had been received. These are noted above.

2. Declarations of Interest

The Chair asked everyone to verbally declare any interests that had arisen since the last meeting. There were no declarations at this meeting. It was noted that no previous declarations would prevent committee members from participating fully in the day's discussions.

3. Minutes of the previous meeting

The minutes of the meeting 02 were approved and agreed by the committee as accurate.

4. Presentation of the final draft scope

The revised scope was presented for the committee's information.

5. Update on evidence reviews: Diagnostics evidence review (Q1) and Test and Treat review (~Q2)

The senior technical analyst provided and update on evidence reviews on the following review areas:

- Diagnostics
- Test and Treat

6. Draft protocols for upcoming reviews

The senior technical analyst led discussions and updated the draft protocols for upcoming evidence reviews.

7. Health economic update

An update on the health economic approach to the guideline's key questions was presented by the senior health economist.

8. Project integrate presentation

Members of the London School of Health and Tropical Medicine delivered a presentation summarising their project for committee members.

9. Any other business and meeting close
