

## Familial Breast Cancer Advisory Committee Interests Register

Register last updated: 26/05/26

All interests have been signed off by the Chair and the NICE Developer Lead

Name	Role on the committee	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Alison Cameron	Committee member - Chair	Direct-financial	Consultant Clinical Oncologist, University Bristol and Weston NHS Foundation Trust.	06/07	03/25	Ongoing	Declare and participate Salaried employment in the NHS
Alison Cameron	Committee member - Chair	Direct, non-financial professional and personal	I am a member of the Royal College of Radiologists Society Training Board and curriculum committee. This role is unpaid. This is not directly related to the guideline, but we may have teaching sessions related to this content.	2021	03/25	Ongoing	Non-specific Declare and participate
Alison Cameron	Committee member - Chair	Direct, non-financial professional and personal	I am a Royal College of Radiologists e-learning lead for Clinical Oncology. This role is unpaid. This is not directly related to the guideline, but we may have teaching sessions related to this content.	12/24	03/25	Ongoing	Non-specific Declare and participate

Ramsey Cutress	Committee member – Breast Surgeon	Direct-financial	Clinical Academic Consultant, University of Southampton	2009	12/22	Ongoing	Declare and participate Salaried employment as clinical academic
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non- financial professional and personal and direct financial	Honorary position at University of Southampton for clinical work at University Hospital Southampton.	2009	12/22	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non- financial professional and personal and direct financial	Head of Academic Clinical Training at Wessex Deanery, Health Education England. Unpaid position but University of Southampton and University Hospital Southampton receive funding to release my time for the secondment.	10/22	12/22	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non- financial, professional and personal	Breast Surgery Subspecialty Editor of the Journal Annals of the Royal College of Surgeons.	2015	07/22	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non- financial, professional and personal	Member of Grant Review Committee of the Charity Breast Cancer Now.	2019	07/22	01/25	Non-specific Declare and participate

Ramsey Cutress	Committee member – Breast Surgeon	Direct, non- financial, professional and personal	Member of the Scientific Advisory Board of the Charity Against Breast Cancer.	2021	07/22	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non- financial, professional and personal	Member of independent trial steering committee of the POSNOC trial (of adjuvant therapy alone v adjuvant therapy plus clearance for women with metastases in 1 or 2 sentinel nodes). Secondary endpoints include arm morbidity and lymphoedema.	2014	07/22	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non- financial, professional and personal	Member of the NCRI Breast Clinical Studies Group (Breast Research Group).	2017	07/22	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial Direct, non- financial, professional and personal	Grant from Astra-Zeneca to the University of Southampton to fund long- term follow-up of the study: ‘Germline BRCA mutation and outcome in young-onset breast cancer (POSH): a prospective cohort study’. I am a co- applicant.	11/21	07/22	Ongoing	Non-specific Declare and participate

Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial  Direct, non- financial, professional and personal	SECA have provided equipment for the measurement of body composition to the University Hospital Southampton as part of a model industry collaborative agreement. This equipment is being used in a clinical study to measure body composition in patients with breast cancer for which I am CI.	2013	07/22	Ongoing	Non-specific  Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial  Direct, non- financial, professional and personal	Lead investigator of the EndoNET trial of Neoadjuvant endocrine therapy and linked translational study TransEndoNET	2021	08/23	Ongoing	Non-specific  Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial  Direct, non- financial, professional and personal	Chief Investigator of the CAND03 trial of body composition and chemotherapy toxicity in breast cancer	2018	08/23	Ongoing	Non-specific  Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial  Direct, non- financial, professional and personal	Academic investigator led (non-commercial) research with Ramsey Cutress as Lead or Co applicant is supported by research grants from the National		09/24	Ongoing	Non-specific  Declare and participate

			Institute for Health Research (NIHR) and research and hospital charities (Breast Cancer Now, Prevent Breast Cancer, Cancer Research UK and Southampton Hospitals Charity).				
Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial Direct, non-financial, professional and personal	Academic grant from the charity Prevent Breast Cancer: Risk prediction for young-onset breast cancer and involvement of tumour-infiltrating lymphocytes. Grant Reference ID: GA23-05. Prevent breast cancer Co-I, £39,871.20.	2022	09/24	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial Direct, non-financial, professional and personal	Academic grant from the charity Cancer Research UK: Cancer Research UK CRUK Southampton Clinical Academic Training Programme. Ref: SEBCATP-2024/100002Co-Applicant.	2024	09/24	Ongoing	Non-specific Declare and participate
Ramsey Cutress	Committee member – Breast Surgeon	Indirect financial Direct, non-financial,	Co-applicant on an academic led outline stage 1 application to the NIHR HTA for a clinical trial	05/25	05/25		Non-specific Declare and participate

		professional and personal	proposal to test if axillary surgery (sentinel node biopsy) can be omitted in certain lower risk groups. If the application is successful and funded, the trial would involve eligible participants with early breast cancer undergoing tumour genomic profiling. In some participants this would be outside current NHS funding and for those participants the test provider (veracyte) would contract with the proposed trial sponsor (University of Oxford) to support access to the test (Prosigna) for the participants.				
Ramsey Cutress	Committee member – Breast Surgeon	Direct-financial	Clinical lead for Connect-C a project funded by NHSE Data for R&D programme which falls within the scope of the Wessex Secure Data Environment (SDE) Programme, hosted by University Hospital Southampton (UHS) R&D Dept. Connect C aims to create a multimodal Cancer registry. The Wessex SDE has received	01/26	04/26	Ongoing	Non-specific Declare and participate and salaried employment in NHS

			funding from NHS England's Data for Research & Development (D4R&D) Programme. The Wessex SDE provides data services to researchers according to NHSE processes.				
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non-financial, professional and personal	Cheah W, Cutress RI, Eccles D, Copson E. <a href="#">Clinical Impact of Constitutional Genomic Testing on Current Breast Cancer Care</a> . Clin Oncol (R Coll Radiol). 2025 Feb;38:103631.	02/25	05/26	02/25	Specific Declare and participate Despite being specific to the topic under consideration this paper would not be included in the evidence base for the review questions in the update.
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non-financial, professional and personal	Tsoulaki O, Tischkowitz M, Antoniou AC, Musgrave H, Rea G, Gandhi A, Cox K, Irvine T, Holcombe S, Eccles D, Turnbull C, Cutress R; Meeting Attendees; Archer S, Hanson H. Joint ABS- <a href="#">UKCGG</a> -CanGene-CanVar consensus regarding the use of CanRisk in clinical practice. Br J Cancer.	06/24	05/26	06/24	Specific Declare and participate Despite being specific to the topic under consideration this paper would not be included in the evidence base for the review questions in the update.

			2024 Jun;130(12):2027-2036.				
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non-financial, professional and personal	Monaghan A, Copson E, Cutress R. Hereditary genetic <a href="#">testing</a> and mainstreaming: a guide for surgeons. Ann R Coll Surg Engl. 2024 Apr;106(4):300-304.	04/24	05/26	04/24	Specific Declare and participate Despite being specific to the topic under consideration this paper would not be included in the evidence base for the review questions in the update.
Ramsey Cutress	Committee member – Breast Surgeon	Direct, non-financial, professional and personal	McCarthy RL, Copson E, Tapper W, Bolton H, Mirnezami AH, O'Neill JR, Patel NN, Tischkowitz M, Cutress RI. <a href="#">Risk-reducing surgery for individuals with cancer-predisposing germline pathogenic variants and no personal cancer history: a review of current UK guidelines.
