<b>Name</b>	<b>Role with NICE</b>	<b>Type of interest</b>	<b>Description of interest</b>	<b>Interest arose</b>	<b>Interest declared</b>	<b>Interest ceased</b>	<b>Comments</b>
Mr John Smith	Clinical Expert / TAC Committee Member	Direct- financial	Consultancy fee received from the company producing the product under consideration	N/A		N/A	Insert action taken in response to interest.
Emtiyaz Chowdhury	Committee Member	Non-Financial Professional	Parexel is a clinical research organisation that works with various manufacturers in the life science industry. Clinuvel UK may be one such manufacturer. I have not been directly involved or have any knowledge of any work undertaken by Parexel specifically for the technology under consideration.	16/06/22	06/06/22 18/01/23		It was agreed that this declaration would not prevent Emtiyaz Chowdhury from participating in this discussion.
Professor Lesley Rhodes	Clinical Expert	Indirect Financial	I direct a research programme on sunlight effects on health, including several projects on dietary and systemic photoprotection, vitamin D, skin cancer, photosensitivity and other related areas. This	03/07/22	06/06/22 18/01/23		It was agreed that these declarations would not prevent Professor Rhodes from providing expert advice during this discussion.

			<p>programme has received funding from: Cancer Research UK, Department of Health, NIHR, European Union, BBSRC, AICR, Wellcome Trust, British Skin Foundation and Industry. The accounts are held by the University of Manchester and Salford Royal Hospital.</p> <p>I have published multiple original manuscripts on sunlight related health effects and photoprotective agents.</p> <p>I am principal investigator for clinical trials of melanotropic peptides with commercial partners (Mitsubishi Pharma and Clinuvel Ltd)</p>				
		Direct Financial					
Anthony Fearn	Patient Expert	Indirect Financial	I am a BPA Committee Member & I support the European Porphyrin Network EPNET with development of their website content.	29/06/22	06/07/22		It was agreed that these declarations would not prevent Anthony Fearn from providing expert advice during this discussion.

Dr Stuart Mealing	Committee Member	Professional interest	In his previous role as part of his job, he designed and built an early version of the economic model that will probably form part of the company's evidence package and also provided strategic consultancy and support. This was all more than five years ago.		12/12/2023		It was agreed that these declarations would allow Dr Mealing to attend the public discussion but prevent him from attending the closed discussion and decision making in part two.
