

Medical Technologies Advisory Committee Interests Register

Topic: Slide sheets for repositioning or moving a person: late stage assessment

NICE's declaration of interest policy can be accessed [here](#)

Name	Role with NICE	Type of interest	Description of interest	Interest arose	Interest declared	Interest ceased	Comments
Jacob Brown	Committee member, chair (chaired MTAC1)	N/A	NIL	N/A	N/A	N/A	No further action
Tom Clutton-Brock	Committee member, MTAC LSA Chair (scoping workshop)	Non-financial professional and personal interests	Director NIHR HRC in Devices, Digital and Robotics, No personal income.	April 2024	July 2024	Ongoing	No further action
Tom Clutton-Brock	Committee member, MTAC LSA Chair (scoping workshop)	Non-financial professional and personal interests	Director Medical Devices Testing and Evaluation Centre. No personal income.	January 2015	July 2024	Ongoing	No further action
Kiran Bali	Committee member	N/A	NIL	N/A	July 2024	N/A	No further action
Katherine Boylan	Committee member	N/A	NIL	N/A	July 2024	N/A	No further action
Stacey Chang-Douglass	Committee member	Financial interests	I am a part-time employee of Evidera, a health economic and outcome research consultancy, since January 2023. Evidera is part of PPD, which is a business entity of Thermo Fisher Scientific. However, research and consulting activities conducted by Evidera are independent of its parent organisations and other entities within the business. My company provides research and consulting support to pharmaceutical companies at various stages of their product development, including NICE submissions.	N/A	July 2024	Ongoing	No further action

			However, I am not involved in any work 9 January 2023 - 31 July 2024 Interests form (advisory committees) October 2022 3 of 5 associated with medical or diagnostic devices or medical technologies. This COI arose since my employment with Evidera in January 2023. Employment with Evidera is ending on 31 July 2024.				
Stacey Chang-Douglass	Committee member	Non-financial professional and personal interests	NIL	N/A	July 2024	N/A	No further action
Stacey Chang-Douglass	Committee member	Indirect interests	NIL	N/A	July 2024	N/A	No further action
Teik Goh	Committee member	N/A	NIL	N/A	July 2024	N/A	No further action
Neil Hawkins	Committee member	Non-Financial, Professional & Personal Interests	I am a director of a consultancy providing HTA services to pharmaceutical and biotech companies. No services have been provided to the named stakeholders for this topic.	N/A	November 2024	Ongoing	No further action
Michael Kolovetsios	Committee member	Financial interests	I'm a Medtronic employee since November 2019. Medtronic is a large med-tech company with a comprehensive portfolio of products used in various clinical therapies, that at times are considered direct (or indirect) comparators in NICE med-tech evaluations.	November 2019	July 2024	Ongoing	No further action
Avril McCarthy	Committee member	N/A	NIL	N/A	July 2024	N/A	No further action
Abdullah Pandor	Committee member	Financial interests	I have delivered online workshops on rapid reviews at international conferences (ISPOR) for which I received an honorarium.	November 2021	July 2024	August 2023	No further action

Abdullah Pandor	Committee member	Financial interests	I am an expert evaluator for Horizon Europe (EU Research and Innovation programme grant). I received payment for this role. May/June 2022 and May/June 2023	May/June 2022	July 2024	May/June 2023	No further action
Abdullah Pandor	Committee member	Non-financial professional and personal interests	I am a standing member of the NICE Medical Technologies Advisory Committee (MTAC). 2018 (ongoing	2018	July 2024	Ongoing	No further action
Abdullah Pandor	Committee member	Non-financial professional and personal interests	I am a standing member of the NIHR Health Technology Assessment General Funding Committee.	2022	July 2024	Ongoing	No further action
Abdullah Pandor	Committee member	Non-financial professional and personal interests	I am currently employed by the University of Sheffield whose job description includes bringing in research grant income primarily from sources such as the NIHR, Industry, Charitable Institutions, and other agencies (NICE and the Ministry of Health in Singapore). Mike Fray	Clinical expert (invited to part 1 only)	Financial	Principal investigator on paper funded by Arjo - project title: ENT8744 Biomechanical Evaluation of Low Bed Use. There were two papers published from the study: IJSPHM published a literature review	N/A	October 2024	March 2025	Declare and attend to provide expertise for Part 1 only

			Arjo published a white paper which was supported by an international webinar session. The 2nd Journal paper is still in production/review.				
Mike Fray	Clinical expert (invited to part 1 only)	Financial	Contract with London Ambulance for expert evaluation and user trial for access and egress with patients, (LAS NHS Trust, Contract ENT10538, £50K + VAT). The provider in one vehicle was Stryker (powered trolley and stairclimbing wheelchair). I have presented some findings back to Styker in an internal staff facing event. Project ongoing, no bed frames involved only ambulance products.	2022	Nov 2024	March 2025	Declare and attend to provide expertise for Part 1 only
Mike Fray	Clinical expert (invited to part 1 only)	Non-financial professional and personal interests		N/A	July 2024	N/A	No further action and attend to provide expertise for Part 1 only
Mike Fray	Clinical expert (invited to part 1 only)	Indirect interests	NIL	N/A	July 2024	October 2023	No further action and attend to provide expertise for Part 1 only
Darren Gill	Clinical expert (invited to part 1 only)	N/A	NIL	N/A	October 2023	Ongoing	No further action and attend to provide expertise for Part 1 only
Hannah Wilkinson	Clinical expert (invited to part 1 only)	N/A	NIL	N/A	October 2023	September 2022	No further action and attend to provide expertise for Part 1 only
