

National Institute for Health and Care Excellence

**IP235/2 – Percutaneous coblation of the intervertebral disc for low back pain and sciatica
Consultation Comments table**

IPAC date: Thursday 12 November 2015

No Comments Received

"Comments received in the course of consultations carried out by NICE are published in the interests of openness and transparency, and to promote understanding of how recommendations are developed. The comments are published as a record of the submissions that NICE has received, and are not endorsed by NICE, its officers or advisory committees."
