IP1006/2– Endovenous mechanochemical ablation for varicose veins Consultation Comments table

IPAC date: 4 March 2016

No comments were received.

"Comments received in the course of consultations carried out by NICE are published in the interests of openness and transparency, and to promote understanding of how recommendations are developed. The comments are published as a record of the submissions that NICE has received, and are not endorsed by NICE, its officers or advisory committees."
