1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the second meeting for the post-traumatic stress disorder (PTSD) guideline update.

The Chair informed the Committee that apologies had been received as noted above.

The Chair outlined the objectives of the meeting, which included:

- Presentation of evidence on pharmacological prevention and treatment of PTSD in children and young people
- Drafting recommendations on pharmacological prevention and treatment of PTSD in children and young people

4.0.03 DOC Cmte minutes

- Finalising remaining review protocols
- Discussing economic priorities and the economic plan

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was PTSD.

The Chair asked everyone to verbally declare any interests.

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in the meeting.

3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that subject to a correction to the owner of a declaration of interest the minutes were a true and accurate account of the meeting.

4. Presentations

The Chair introduced SJ who gave a presentation on the evidence found for the relative benefits and harms of pharmacological interventions for children and young people at risk of PTSD. SJ took questions from the Committee.

The Chair introduced ES who gave a presentation on the evidence found for the relative benefits and harms of pharmacological interventions for children and young people with clinically important post-traumatic stress symptoms and presented the remaining draft review protocols to resolve queries with the Committee. ES took questions from the Committee.

The Chair introduced IM who presented the draft health economic plan. IM took questions from the Committee.

The Committee thanked SJ, ES and IM for their presentations and contribution to the development of the guideline.

5. Questions and discussion

The Committee discussed the evidence for the relative benefits and harms of pharmacological interventions for children and young people at risk of PTSD and the relative benefits and harms of pharmacological interventions for children and young people with clinically important post-traumatic stress symptoms and drafted recommendations based on that evidence.

4.0.03 DOC Cmte minutes

The Committee discussed issues that affect lay members of the committee.

The Committee discussed the possibility of further work with children and young people with PTSD and their families and carers.

The Committee finalised the remaining review protocols.

The Committee discussed the economic priorities and economic plan for the guideline and the framework for considering resource impact issues.

6. Any other business

The Chair informed the Committee that the next meeting would be on 26th January 2017.

Date of next meeting: 26/01/2017

Location of next meeting: RCOG, London
