

## Interests Register

Interests declared up to and including 31<sup>st</sup> March 2018 were processed under the 2014 NICE policy on conflicts of interest.

Interests declared from 1<sup>st</sup> April 2018 were processed under the 2018 NICE policy on conflicts of interest.

### Cerebral Palsy in Adults Guideline Committee

**Publication Date: 15<sup>th</sup> January 2019**

Name	Role with NICE	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	
Paul Eunson	Chair	Direct financial	Provide medico-legal reports – may include giving my opinion in life expectancy with children with cerebral palsy.	2016	22/09/2016	Ongoing	Declare and remain. Even though financial, it is an interest related to children with cerebral palsy rather than adults.
Paul Eunson	Chair	Direct non-financial (professional)	Trustee of Castang Foundation, a charity that supports research and management of Cerebral Palsy.	2017	22/02/2017	Ongoing	Declare and remain. This is a non-financial interest not directly related to a specific topic in the scope of the guideline.
Paul Eunson	Chair	Direct non-financial (professional)	I have published a paper on long term and social impact of hypoxic-Ischemic Encephalopathy.	2017	22/02/2017	Ongoing	Declare and remain. This paper did not feature as evidence in the guideline and is not addressing an issue related to the

							scope.
Paul Eunson	Chair	Direct non-Financial (professional)	Completed a telephone interview with an American Pharmaceutical company about an improvement in outcomes for 0-6 years. No payment was received for this interview.	2017	10/04/2017		Declare and remain. This is not directly addressing an issue related to the scope.
Ruth Kent	Clinical Lead	Direct financial	Attend Continue Professional Development (CPD) meetings which are generally sponsored by Botulinum Toxin Manufacturers /Medtronic/Solicitors providing legal services. The events are sponsored but no personal payment was received.	2017	22/02/2017	Ongoing	Declare and remain. Even though botulinum toxin A is part of the scope of the guideline, no money was received for the attendance.
Ruth Kent	Clinical Lead	Direct financial	Expert witness in CP litigation cases.	2017	22/02/2017	Ongoing	Declare and remain. None of the litigation cases were directly related to matters discussed as part of the meetings.

Ruth Kent	Clinical Lead	Direct non-financial (professional)	Published on transitions for CP/given talks on services.	2017	22/02/2017	Ongoing	Declare and remain. Transition was not part of the scope for this guideline.
Lloyd Bradley	Member	Direct non-financial (professional)	Executive committee member BSRM - representing the interests of the medical specialty of rehabilitation medicine.	20017	22/02/2017	Ongoing	Declare and remain. There is no financial gain from this over and above his salary.
Lloyd Bradley	Member	Direct non-financial (professional)	President of Headway in West Sussex.	2017	22/02/2017	Ongoing	Declare and remain. This is not a role that is specifically related to the scope of the guideline.
Elsbeth Dixon	Lay member	Direct non-financial (professional)	I have submitted a paper on determinants of carers' support for physical activity in clients with learning disability (including some with CP) to a health psychology journal. This has not yet been accepted for publication. The study has been accepted for presentation at the European Health Psychology conference.	2017	22/02/2017	20/09/2018	Declare and remain. This paper did not feature as evidence in the guideline.  Update received on 20/09/2018 confirming that paper was not published.

Elspeth Dixon	Lay member	Direct non-financial (professional)	I have been accepted as a member of a SCIE Collaboration committee working on designing and implementing an evaluation of Integrated Personal Commissioning. Some of the users of IPC are adults with CP.	February 2017	22/02/2017	Ongoing	Declare and remain. This paper did not feature as evidence in the guideline.
Susan Hourihan	Member	Direct non-financial (professional)	Chapter on positioning and splinting in splinting book.	2017	22/02/2017	Ongoing	Declare and remain. This paper did not feature as evidence in the guideline.
Susan Hourihan	Member	Direct non-financial (professional)	MS trust & MSC module 2x/ year – fee goes to departmental training budget.	2017	22/02/2017	July 2017	Declare and remain. These teaching modules are more broadly related to neurological conditions rather than specifically related to the topics in the scope of the guideline.
Susan Hourihan	Member	Direct non-financial (professional)	ACPIN- presentation on impacting fatigue on participation in neuro-conditions.	2017	22/02/2017	21/2/2018	Declare and remain. This presentation was not part of the evidence for the guideline and is not specific to the

							population of adults with cerebral palsy.
Susan Hourihan	Member	Direct financial (professional)	Regular contact in splinting and lycra companies providers.	2017	22/02/2017	Ongoing	Declare and remain. Even though this has a financial component it is part of her job role and any fees paid in relation to this go to her department.
Susan Hourihan	Member	Direct non-financial (professional)	Publication on models of vocational rehabilitation in neurological conditions.	2017	22/02/2017	Ongoing	Declare and remain. This publication was not used as part of the evidence for the guideline and is not specific to the population of adults with cerebral palsy.
Susan Hourihan	Member	Direct non-financial (professional)	Therapists in MS (TiMS) - committee member (affiliated with MS trust)	2017	22/02/2017	Ongoing	Declare and remain. This is a professional component of her role and there is no financial personal gain related to the topics under discussion.
Susan Hourihan	Member	Direct non-financial (professional)	Working on outcome re splinting and botox pathways in adults.	2017	22/02/2017	Ongoing	Declare and remain. This is part of her professional role and it is not specific to

							the population of adults with cerebral palsy.
Susan Hourihan	Member	Direct non-financial (professional)	Co-author in: Buchanan & Hourihan, Chapter 4 Physical and postural management of spasticity. In "Spasticity Management: A Practical Multidisciplinary Guide". Second Edition (2016) (Editors Stevenson & Jarret) CRC Press, Taylor and Francis Group, Florida.	2017	22/02/2017	Ongoing	Declare and remain. This publication was not used as part of the evidence for the guideline and is not specific to the population of adults with cerebral palsy (the scope addresses spasticity but only related to people with cerebral palsy).
Mohammed Saeed Jeewa	Lay member	Direct financial	Trustee of shaping our lives – National user led organisation.	2017	22/02/2017	August 2018	Declare and remain. This organisation is not restricted to people with cerebral palsy.
Mohammed Saeed Jeewa	Lay member	Direct financial	Improving Adults' experience of social care services Guideline Committee member.	2017	22/02/2017	August 2018	Declare and remain. An attendance fee is received but the content of this NICE <i>Improving Adults' experience of social care services</i> guideline is not directly related to the

							topics discussed as part of the scope of the <i>Cerebral palsy in adults</i> guideline.
Jill Scarisbrick	Member	Direct financial	<p>Private Practitioner working with Cerebral Palsy.</p> <p>No recommendations are directly going to influence or change any of my work. I offer / provide the same interventions as I do in the NHS.</p> <p>My private work just as my NHS work may change indirectly re the scope. I currently see CP in adults privately because there is inadequate provision through the NHS. So i would anticipate/hope i will have fewer private patients with CP in the future and perhaps more in the NHS.</p> <p>Fee for service £39.00 per hour (gross) of intervention.</p> <p>The maximum number of hours interventions</p>	01/12/2016	22/02/2017	Ongoing	Declare and remain. She would provide the same interventions she uses in the NHS and any recommendations that would be made would most likely lower her private workload rather than increasing it.

			<p>privately completed being 12 per month. Averages at 8 a month (£312 gross) over a 12 month period.</p> <p>Hours wise this equates to less than 10% of my work hours as I complete 95+ hours NHS.</p>				
Jill Scarisbrick	Lay member	Direct financial	<p>Company referral for private patients - I do work with FES closely and do have some financial incentives (nb sub-contracting).</p> <p>FES is an indirect connection - I do not gain or work with them at all. I do not utilise FES at all either in private or NHS work as I am not suitably qualified. There is therefore no effect/gain or loss re any reference re. FES in the scope. The company I subcontract private work from (Neurocare) have some Physiotherapists</p>	01/12/2016	22/02/2017	Ongoing	Declare and remain. Functional Electrical Stimulation did not feature as a topic or intervention in the guideline.

			that occasionally utilise FES, but they do not have a direct working connection with FES companies or any payment from them - they do occasionally receive gifts by way of trial equipment to utilise with clients/service users. I do not [gain private work with FES from this relationship].				
Jill Scarisbrick	Lay member	Direct financial	Responsibility of purchase equipment re. Recommendations within hospital trust – not limited to specific companies.	01/12/2016	22/02/2017	Ongoing	Declare and remain. This is part of her professional role and is related to the finances in the hospital trust rather than personal gain.
Valerie Stevenson	Member	Direct financial	Lecturing on the MS trust module £150 once or twice a year.	2010	22/02/2017	Ongoing	Declare and remain. This module is not specific to the population of adults with cerebral palsy.
Valerie Stevenson	Member	Direct financial	Local lead and joint applicant for the following grant from the NIHR RfPB funding stream: <ul style="list-style-type: none"> <li>• PB-PG-1014-35012</li> </ul>	2014	22/02/2017	July 2018	Declare and participate. Grant application are part of her professional role and the applications address

			<p>– The Effectiveness of Peroneal Nerve Functional Electrical</p> <ul style="list-style-type: none"> <li>• STimulation (FES) for Improving Mobility in Parkinson’s Disease: A Pragmatic Two Site</li> <li>• Feasibility Study for an Assessor Blinded Randomised Control Trial (STEPS)</li> </ul> <p>This allows funding for a 0.5 physiotherapist post for our department for 2 years.</p>				a population that is not restricted to adults with cerebral palsy.
Valerie Stevenson	Member	Direct financial	Support (£500 – £1000 educational grant per company) from pharmaceutical companies (Medtronic, Allergan, Merz, Ambu) to the Spasticity management team at UCLH to run a 2 day course on spasticity management (2nd and	02/02/2017	22/02/2017	03/02/2017	Declare and participate. The pharmaceutical companies do not influence what is taught in the module and any grant money is paid to the apartment rather than to her personally.

			3rd Feb 2017).				
Valerie Stevenson	Member	Direct financial	Historically I have received teaching honoraria from Bayer Healthcare (Nov 2011), Almirall (May 2014) and Medtronic (Oct 2008). I have received payment for participation in Bayer Healthcare's advisory board (Sativex, 2012-2014).	November 2011	22/02/2017	2014	Declare and remain. This is no longer active with the last payment received in 2014 which is more than 2 years before the start of the development of the guideline.
Valerie Stevenson	Member	Direct non-financial (professional)	I am a member of the Association of British Neurologists and the Royal College of Physicians.	1997	22/02/2017	Ongoing	Declare and remain. This is not paid and is part of her professional role.
Valerie Stevenson	Member	Direct non-financial (professional)	Attend the annual National Intrathecal baclofen (ITB) forum, presenting two cases of ITB in MS and received no payment.	2008	18/07/2017	Ongoing	Declare and remain. Even though intrathecal baclofen is one of the topics of the guideline, multiple sclerosis is not.
Valerie Stevenson	Member	Direct non-financial (professional)	Presentation on intrathecal baclofen to manage spasticity in neurological conditions	12/11/2017	24/11/2017	12/11/2017	Declare and remain. Even though intrathecal baclofen is one of the topics of the guideline, the

			Nov 11th Oxford, NSUKI (Neuromodulation Society of UK and Ireland) annual scientific meeting. No financial benefit.				population is broader than adults with cerebral palsy.
John Michael Starr	Co-opted member	Direct non-financial (professional)	I am a Trustee of Alzheimer Scotland and a member of the British Geriatrics Society.	2017	31/03/2017	Ongoing	Declare and remain. The population this relates to is broader than adults with cerebral palsy.
Duncan Walsh	Lay member	Direct financial	I am an employee of PACE a charity that works with Children and young people with Cerebral Palsy and other motor disorders and their families.	2017	22/02/2017	Ongoing	Declare and remain. This work relates specifically to children rather than adults with cerebral palsy.
Duncan Walsh	Lay member	Indirect financial	My wife works for Sunrise Medical as an Area Sales Manager.	2017	22/02/2017	Ongoing	Declare and remain. Recommendations would not directly influence which specific type of wheelchairs or from which company this would be acquired by the NHS.
Stephen Bianchi	Co-opted member	Direct financial	I run a weekly respiratory and general	2009	12/03/2018	Ongoing	Declare and remain. Even though this is

			medicine out-patient clinic at BMI Thornbury Hospital, Sheffield. The practice is not different from my NHS work and has not, over the last 8-9 years, involved patients with cerebral palsy.				private practice it is neither different to his NHS work nor directly related to adults with cerebral palsy (it could be but has not in the past 8 years). It is unlikely that recommendations would increase his private practice workload related to adults with cerebral palsy.
Richard Bunn	Member		Nothing to declare		22/02/2017		Remain
Umesh Chauhan	Member		Nothing to declare		12/08/2017		Remain
Rosie Werner	Member		Nothing to declare		22/02/2017		Remain
Andrew Roberts	Co-opted member		Nothing to declare		01/02/2017		Remain

### GUIDANCE NOTES FOR COMPLETION OF THE INTERESTS REGISTER

**Relevant dates:** Detail here the date the interest arose, the date it was first declared and when it ceased, if applicable. For example, if an individual has ceased to hold shares or undertake relevant private practice.
