Systemic anti-cancer therapy: management options for people with non-squamous (adenocarcinoma, large cell undifferentiated) carcinoma and non-small-cell carcinoma (non-otherwise specified) – August 2020 update

This is a summary of the options for drug treatment for people with non-squamous and non-small-cell carcinoma in line with the NICE guideline on lung cancer. It also covers recommendations from technology appraisals published since 2009. Please refer to NICE technology appraisals and the NHS England website for information on eligibility, patient access schemes and more.
