

## Urinary incontinence and pelvic organ prolapse in women: management Guideline Committee meeting 7

**Date:** 27&28/11/2017

**Location:** RCOG, London

**Minutes:** CONFIRMED

### Day 1

<b>Committee members present:</b>		
Fergus Macbeth (Chair)		(Present for notes 1-11)
Rohna Kearney (Topic advisor)		(Present for notes 1-11)
Karen Ward (Topic advisor)		(Present for notes 1-11)
Suzanne Biers		(Present for notes 1-11)
Jacqueline Emkes		(Present for notes 1-11)
Polly Harris		(Present for notes 1-11)
Catherine Heffernan		(Present for notes 1-11)
Sarah Love-Jones		(Present for notes 1-11)
Doreen McClurg		(Present for notes 1-11)
Vikky Morris		(Present for notes 1-10)
Carol Paton		(Present for notes 1-6)
Carmel Ramage		(Present for notes 1-11)
Lucy Ryan		(Present for notes 1-11)
Julian Spinks		(Present for notes 1-11)
Kate Welford		(Present for notes 1-11)

<b>In attendance:</b>		
Andrew Harding	NICE Guideline Commissioning Manager	(Present for notes 1-11)
Judith McBride	NICE Senior Medical Editor	(Present for notes day 1-6)
Patrice Carter	NGA Systematic Reviewer	(Present for notes 7-11)
Elise Hasler	NGA Information Scientist	(Present for notes 1-4, 7&8)
Eleanor Howat	NGA Project Manager	(Present for notes 1-11)

## Committee minutes

Jose Marcano-Belisario	NGA Senior Systematic Reviewer	(Present for notes 1-11)
Vanessa Nunes	NGA Guideline Lead	(Present for notes 1-11)
Eric Slade	NGA Health Economist	(Present for notes 4-11)

### Apologies:

Lisa Boardman	NGA Guideline Lead
Melanie Davies	NGA Clinical Advisor
Laura Kuznetsov	NGA Systematic Reviewer
James Stephenson	Co-opted committee member

### 1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the seventh meeting on urinary incontinence and pelvic organ prolapse in women: management.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: reviewing the evidence and drafting recommendations, and discussing and amending review question protocols.

### 2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was urinary incontinence and pelvic organ prolapse in women: management.

The Chair asked everyone to verbally declare any interests that have arisen since appointment or that were specific to the topics being considered at this meeting.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Vikky Morris	Consultant Care of Older People, Musgrove Park Hospital, Taunton, Somerset	27.11.2017 I was chair at the below conference. Expenses were paid by the British Geriatric Society.	Personal, financial, non-specific	Declare and continue as chair expenses not beyond reasonable amounts and member did not have direct contact

Committee minutes

		BGS Bladder & Bowel conference, November 3rd 2017. Sponsored by:  Pierre Fabre (Urothelial cancer drug Javlor), Allergan (Botox), Ferring (Desmomett – Desmopressin), Grunenthal (Palexia for pain with constipation)		with the conference sponsors
Jacqueline Emkes	Lay member	11.11.2017  Member of patient steering group for a study on the effectiveness of pelvic floor exercise apps for female UI. Duties to provide patient perspective advice only.  Unpaid	Personal, non-financial, specific	Declare and continue
Jacqueline Emkes	Lay member	11.11.2017  Appearing on patient panel for incontinence conference on 28/29 November at the Institute of Mechanical Engineers, London. Travel costs only.	Personal, non-financial, non-specific	Declare and continue
Jacqueline Emkes	Lay member	11.11.2017  Featured in a digital photo	Personal, non-financial, non-specific	Declare and continue

		<p>exhibition for the 'Hygiene: A Circle of Life' exhibition. Not named or identified in the photo exhibition and not taking place in any discussions or other promotional activities.</p> <p>Unpaid.</p>		
Jacqueline Emkes	Lay member	<p>11.11. 2017 Patient advisor for the project team for NIHR surgical care for female urinary incontinence from June 2016 to approximately December 2019. Duties to advise on the design, methods for data collection and analysis, interpretation of the results and approach to dissemination. Travel costs only.</p>	Personal, non-financial, specific	Declare and continue

The Chair and a senior member of the Developer's team noted that the interests declared did not prevent the attendees from fully participating in the meeting.

### 3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

The Chair confirmed that all matters arising had been completed or were in hand.

#### **4. Presentations**

The Chair introduced Jose Marcano-Belisario, NGA Senior Systematic Reviewer, who gave a presentation on PROTOCOL: 11.3 What are the most effective management options for pain after mesh surgery?

The Chair introduced Jose Marcano-Belisario, NGA Senior Systematic Reviewer, who gave a presentation on PROTOCOL: 11.5 What are the most effective management options for bowel symptoms after mesh surgery?

The Chair introduced Jose Marcano-Belisario, NGA Senior Systematic Reviewer, who gave a presentation on PROTOCOL: 3.1 What are the risks to cognitive function for women taking anticholinergic drugs for overactive bladder?

The Chair introduced Jose Marcano-Belisario, NGA Senior Systematic Reviewer, who gave a presentation on PROTOCOL: 8.6 New review question looking at pessary vs surgery for pelvic organ prolapse.

The Chair introduced Jose Marcano-Belisario, NGA Senior Systematic Reviewer, who gave a presentation on PROTOCOL: 5.2 New review question looking at pelvic floor exercise vs surgery for urinary incontinence.

The Chair introduced Eric Slade, NGA Health Economist, who gave a presentation on the economic plan for EVIDENCE REVIEWS 8.6 and 5.2.

The Chair introduced Eric Slade, NGA Health Economist, who gave a presentation on the economic plan for EVIDENCE REVIEW 8.5 and an introduction to economic modelling.

The speakers took questions from the group. The Committee then discussed the issues presented in relation to this guideline. The Chair thanked the speakers for their presentations.

#### **5. Questions and discussion**

The Committee discussed the presentations and were given the opportunity to ask questions, draft recommendations and rationale and impact sections following evidence reviews, and agree amendments to the review protocols.

The committee discussed dosage and manufacturer licensing for EVIDENCE REVIEW: 4.2 What is the most effective initial dose of botulinum toxin type A for treating overactive bladder?

The committee discussed feedback from the NICE Senior Editor on the draft recommendations for evidence reviews 4.1, 4.2, 8.1 and 8.2 and made changes.

## Committee minutes

The committee discussed the updated draft recommendations and investigations table for EVIDENCE REVIEW: 10.1 What is the most effective strategy for assessing complications (for example, vaginal complications, sexual dysfunction, pain, urinary symptoms and bowel symptoms) after mesh surgery?

### **6. Other issues**

The Committee did not consider any implementation issues.

## Urinary incontinence and pelvic organ prolapse in women: management Guideline Committee meeting 7

**Date:** 27&28/11/2017

**Location:** RCOG, London

**Minutes:** DRAFT

### Day 2

<b>Committee members present:</b>	
Fergus Macbeth (Chair)	(Present for notes 12-18)
Rohna Kearney (Topic advisor)	(Present for notes 12-18)
Karen Ward (Topic advisor)	(Present for notes 12-18)
Suzanne Biers	(Present for notes 13-18)
Jacqueline Emkes	(Present for notes 12-13, 16-18)
Polly Harris	(Present for notes 12-18)
Catherine Heffernan	(Present for notes 13-15)
Doreen McClurg	(Present for notes 12-18)
Vikky Morris	(Present for notes 12-18)
Carmel Ramage	(Present for notes 12-18)
Lucy Ryan	(Present for notes 12-18)
Julian Spinks	(Present for notes 12-18)
James Stephenson	(Present for notes 13-15)
Kate Welford	(Present for notes 12-18)

<b>In attendance:</b>		
Andrew Harding	NICE Guideline Commissioning Manager	(Present for notes 12-18)
Patrice Carter	NGA Systematic Reviewer	(Present for notes 12-18)
Melanie Davies	NGA Clinical Advisor	(Present for notes 16-18)
Eleanor Howat	NGA Project Manager	(Present for notes 12-18)
Laura Kuznetsov	NGA Systematic Reviewer	(Present for notes 12-15)
Jose Marcano-Belisario	NGA Senior Systematic Reviewer	(Present for notes 12-15)
Vanessa Nunes	NGA Guideline Lead	(Present for notes 12-18)
Eric Slade	NGA Health Economist	(Present for notes 14-18)

<b>Apologies:</b>	
Lisa Boardman	NGA Guideline Lead
Elise Hasler	NGA Information Scientist
Sarah Love-Jones	Co-opted committee member
Judith McBride	NICE Senior Editor
Carol Paton	Co-opted committee member

### **1. Welcome and objectives for the meeting**

The Chair welcomed the Committee members and attendees to the seventh meeting on urinary incontinence and pelvic organ prolapse in women: management.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: reviewing the evidence and drafting recommendations, and discussing and amending review question protocols.

### **2. Confirmation of matter under discussion, and declarations of interest**

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was urinary incontinence and pelvic organ prolapse in women: management.

There were no new declarations of interest on day 2 of the meeting.

### **3. Presentations**

The Chair introduced Laura Kuznetsov, NGA Systematic Reviewer, who gave a presentation on EVIDENCE REVIEW: 6.1 What is the most effective way of coordinating services, for example for managing complications associated with mesh surgery?

The Chair introduced Jose Marcano-Belisario, NGA Senior Systematic Reviewer, who gave a presentation on EVIDENCE REVIEW: 7.1 What is the most effective strategy for assessing pelvic organ prolapse?

The Chair introduced Patrice Carter, NGA Systematic Reviewer, who gave a presentation on preliminary findings for EVIDENCE REVIEW: 8.4 (pairwise analyses) What are the most effective surgical management options (including mesh and non-mesh procedures) for pelvic organ prolapse?

The Chair introduced Eric Slade, NGA Health Economist, who gave a presentation on health economics for EVIDENCE REVIEW: 8.4 What are the most effective

surgical management options (including mesh and non-mesh procedures) for pelvic organ prolapse?

- Preliminary NMA findings
- Introduction to economic modelling
- Review of existing economic evaluations
- De novo economic modelling

The speakers took questions from the group. The Committee then discussed the issues presented in relation to this guideline. The Chair thanked the speakers for their presentations.

#### **4. Questions and discussion**

The Committee discussed the presentations and were given the opportunity to ask questions, draft recommendations and rationale and impact sections following evidence reviews, and agree amendments to the review protocols.

The committee discussed the updated draft recommendations and investigations table for EVIDENCE REVIEW: 10.1 What is the most effective strategy for assessing complications (for example, vaginal complications, sexual dysfunction, pain, urinary symptoms and bowel symptoms) after mesh surgery?

#### **5. AOB**

- There were no other items of business.

**Date of next meeting:** 10 January 2017

**Location of next meeting:** RCOG, London
