

Surveillance proposal consultation document

2022 surveillance of Hypertension in adults: diagnosis and management (NICE NG136) and Transient loss of consciousness ('blackouts') in over 16s (NICE CG109)

The consultation includes the following questions:

1. Do you agree with the proposed changes of recommendations?

Please could let us know if you agree or disagree (yes/no) and provide comments to support your answer.

2. Are you aware of any evidence or ongoing trials on postural hypotension? If so please provide details.
3. Do you have any comments on equality issues? If so please explain.

Please note: Responses to consultation questions will need to be submitted online, by signing into your NICE account. The consultation closes at 5pm on Tuesday 6th December 2022.
