1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the seventh meeting on Twin and Triplet Pregnancy. The Committee members and attendees introduced Ayo Haruna, NGA Project Coordinator, who was taking over the project management duties for the meeting.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: presentations of evidence reviews, drafting recommendations, health economic model, discussion and revision of recommendations.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was twin and triplet pregnancy.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting.
