1. Welcome and objectives for the meeting

The Chair, Joe Fawke, welcomed the Committee members and attendees to the 12th guideline committee meeting on Neonatal Parenteral Nutrition.

Joe Fawke informed the Committee that apologies had been received. These are noted above.

Joe Fawke outlined the objectives of the meeting.

2. Confirmation of matter under discussion, and declarations of interest

Joe Fawke confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was Neonatal Parenteral Nutrition.

There was no new interest declared.

2-3. Morning Presentations

Item 2: Joe Fawke, Chair, led a discussion on an illustrative example of a standardised bag based on the recommendations in the guideline.

The Committee discussed.

Item 3: Patrice Carter, Senior Systematic Reviewer, presented the evidence review for 3.7 lipid formulations.

The Committee discussed the evidence review and recommendations were agreed and drafted.

5-8. Afternoon Presentations

Item 4: Lynne Radbone (Topic Group Lead) and Laura O’Shea, Systematic Reviewer, presented the updated evidence review for question 6.2 –

What amount of enteral feed (measured in terms of ml/kg/d, or kcal/kg/d, or ratios in relation to PN and enteral feeds) indicates that parenteral nutrition is no longer required?

The Committee discussed the evidence review and reviewed their previously drafted recommendations and amended them in line with the new data.

Item 5: Review of the Action Log

Item 6. Close of Day

The Chair reminded the Committee of the date of the next meeting.

Date of next meeting: 04th June

Location of next meeting: RCOG, London
